

**PRASAD V. POTLURI SIDDHARTHA INSTITUTE OF TECHNOLOGY, KANURU,
VIJAYAWADA**

Internal Quality Assurance Cell

Dt: 26.027.2014

A three level programming certification course was started in the month of January for the benefit of 3rd year students of all branches in the college.

Level I : Basic level (‘‘C’’ PROGRAMMING FUNDAMENTALS),

Level II : Intermediate level (Data Structures)

Level II: Advanced level (Unix,other Oss etc.).

After the completion of each level training , a certification test will be conducted. Based on the performance in this test, certificates will be issued to the students.

There was a tremendous response to this program. Almost 220 students registered for basic level training.

Program Coordinator: Dr P.V,S,Lakshmi, Professor Dept of IT.
