

**PVP SIDDHARTHA INSTITUTE OF TECHNOLOGY, VIJAYAWADA – 520 007**  
**DEPARTMENT OF CIVIL ENGINEERING**

**Agenda of meeting**

To approve the proposed PVP19 second year Second semester courses i.e., Engineering Mathematics - IV, Mechanics of Solids, Environmental Engineering, Geotechnical Engineering, Construction materials and concrete Technology, AI Tools, Constitution of India etc.,

**Minutes of BOS held on 23/06/2020 at 9.00 a.m**

1. Members discussed at length the proposed syllabus for the subjects of second year second semester PVP19 regulations and approved with minor modifications.
2. The PO attainments for the academic year 2019-20 (First Semester) were discussed. The committee expressed satisfaction over the attainment of POs above target value in majority of subjects in spite of increasing the target value year by year.
3. The committee also suggested inviting adjunct faculty from industry to handle some of the elective courses to improve the industry institute interaction.
4. The committee also expressed to give industry oriented final year live projects involving industry personnel as co guide to improve the industry institute interaction.
5. The committee also expressed to implement the CO attainment calculations based on the class average marks instead of fixed target percentage.
6. The committee also suggested conducting tutorials effectively for all analytical subjects for bringing better visualization and results.
7. The committee also suggested to include latest subjects in Elective courses which are to be introduced in third year onwards
