Title of the Event	Hunt for a Greener Future
Name of the Co-ordinator	Dr. N.Usharani Dr. Pavani Peddi
Brief Report on the Event	<p>On the occasion of Engineers' Day, the Chem Crew Club of the Department of Freshman Engineering, PVP Siddhartha Institute of Technology, organized a fun-filled and knowledge-based competition titled "Hunt for a Greener Future – Treasure Hunt." Treasure Hunt proved to be a grand success, drawing active participation from nearly 350 first-year students who engaged enthusiastically in solving thought-provoking clues. The event was not only an enjoyable competition but also a meaningful platform that connected students with concepts of sustainability, and the engineer's role in protecting the environment. By blending knowledge with adventure, the treasure hunt encouraged students to think critically, work collaboratively, and approach real-world environmental challenges with creativity and responsibility.</p> <p>The activity instilled valuable qualities such as teamwork, problem-solving, and time management, while simultaneously fostering awareness about the urgent need to conserve natural resources and adopt eco-friendly practices. The lively spirit and curiosity displayed by the participants reflected the essence of Engineers' Day celebrating innovation with responsibility. Inspired by this success, the Department of Freshman Engineering looks forward to conducting many more such innovative, awareness-driven events in the future.</p>

Hunt for a Greener Future (Treasure Hunt)

Circular

The Chem Crew Club of the Freshman Engineering Department is organizing a fun-filled and knowledge-based competition for First B.Tech students on the occasion of Engineers' Day:

**Hunt for a Greener Future (Treasure Hunt)**

Date of the Event: 11/09/2025

Time: 4:00 PM – 5:00 PM

Venue: College campus

Objective:

To create environmental awareness among budding engineers through a fun, team-based treasure hunt, where every clue highlights the importance of chemistry, sustainability, and engineers' role in protecting nature.

Rules & Guidelines

- Each team will consist of 3–4 members.
  - All teams will receive the first clue at the same time.
  - Each clue leads to the next location and finally ends at the Treasure spot.
  - Teams must solve clues correctly to proceed further.
  - No mobile phones or internet search allowed during the competition.
  - The first team to reach the treasure with all clues solved correctly will be declared the Winner.
- Once a team finds the final treasure, they must immediately report to Room No. 428 (Drawing Hall). The reporting time will be recorded, and the winners will be decided based on who reports first with all correct clues.

Cash Prizes & Recognition

- First Prize: ₹1000
- Second Prize: ₹750
- Third Prize: ₹500
- Two Consolation Prizes: ₹250 each
