Date of Event organized & Time	26-10-2024
Name of the Program	LITERARI FEST 2K24
Title of the Program	GRAMMAR RELAY
Brief Report on the Event	The faculty members of English of PVPSIT conducted the Grammar Relay competition as part of the Literari Fest 2K24. This event helps learners solidify their understanding of grammar. It encourages teamwork, critical thinking, and grammar comprehension. A worksheet is placed on the table. The participants are called to write the answers on the blank white paper provided for each team. As soon as the first learner reaches the sheet of blank paper, the second learner in the group runs to the worksheet at the front of the room and completes the second item. The second learner then runs back to their group and writes out the answer on the blank sheet of paper. Each learner takes turns filling out items and writing them on the blank piece of paper until the worksheet is completed. The event was further enriched by the presence of participants from various organizations who have showcased their knowledge in grammar. The winners were awarded prizes basing upon the knowledge and spontaneity in the aspects of grammar.
