Dear Sir/Madam,

On behalf of PVP Siddhartha Institute of Technology, we have immense pleasure in inviting you to attend a One-Day FDP on “*Robotics and its Application (RA-2K17)*” organized by the Robotic Research Center, PVP Siddhartha Institute of Technology, Vijayawada In collaboration with **SakRobotix Research Center, a Start-up – IIT Bhubaneswar** to be held on 15th November, 2017.

The Goal of the workshop is to provide a forum for exchanging the ideas and share the knowledge on current Research challenges/issues in the real world with emerging areas of Robotics and its Applications.

This FDP facilitates awareness on Robotics and understand the needs of Robotics in current scenario and innovate novel robots with different case studies in order to solve real world problems.

The FDP is aimed at educating participants about the fundamentals of these concepts and at the same time extends to expose them to the recent advancement in this area.

The FDP will help mentors to further deliver its contents to their students and will endow budding researchers with state of art tools to improvise their research.

Hence, we request you to give a wide publicity among your faculty members, research scholars and encourage them to attend the FDP.

For further details, kindly visit www.pvpsiddhartha.ac.in
Thanking you and looking forward for your participation.

Registration Fee: **No Registration Fee**

Regards

Program Coordinators, RA-2K17, PVPSIT
