Organizational Charts

10.10	Student feedback mechanism on Institutional Governance / faculty performance	Yes
<p>Feedback is taken from students to assess the performance of the faculty members who handle the Theory and lab classes during the middle of every semester. The student's name is kept confidential and only the HOD and the concerned faculty are allowed to see the feedback given by the students. The HOD gives his comments / instructions based on the performance of the concerned faculty for which he/she reviews based on the feedback obtained, along with the necessary steps required to satisfy the students' needs.</p> <p>Students are asked to give grading to the faculty from 1 – 5 for each of the parameter mentioned in the feedback form. 1 signifies Poor, 2 signifies Average, 3 signifies Good, 4 signifies Very Good and 5 signifies Excellent. The feedback form consists of the following parameters.</p> <p>i. Subject Planning, ii. Topic Planning, iii. Topic Introduction, iv. Co-relation with adjacent topics, v. Explanation, vi. Knowledge depth, vii. Interaction, viii. Class timings, ix. Communication, x. Board work, xi. Assignments, xii. Application, xiii. Access for discussion, xiv. Class Control, xv. Evaluation of Mid exams and Assignments</p>		
10.11	Grievance Redressal mechanism for faculty, staff and students.	Yes
<p style="text-align: center;"><u>Grievance Redressal Mechanism for faculty, staff and students</u></p> <p>The Institution has constituted a mechanism to redress the grievances of staff and students at different levels. The Management, the Principal and Heads of the departments redress the grievances of the staff. The representation of deserving staff is given sympathetic favorable consideration by the management. The heads of the departments and the Principal take initiative to counsel the aggrieved staff. If necessary, their case is presented before the management.</p> <p>The problems of students concerned to academic and social fronts are mostly dealt with by staff. The Class teachers persuade students weak in studies and irregular in attendance. The academic doubts of the students are patiently clarified in and off the classroom. Students with undesirable habits are counseled for their reformation and improvement of their all-round performance. Wherever/whenever the immature students exhibit aggressive behavior against other students, special committees are formed to appropriately treat the guilty realize their errors and set right their conduct, and to mitigate the mental trauma of the affected students.</p>
