The Meeting took place at 2:00 PM on 05.10.2021 in online platform using Google Meet with link <https://meet.google.com/qrt-otpc-qvs>. The research scholar presented his proposal to work in the area of Antenna Design and expressed her interest to the Wearable Multiband Antenna for High Frequency Applications. The Members of the Doctoral Committee interacted with the scholar to assess his strength and weaknesses and to identify the topics for his course work as envisaged in the Ph.D. Regulations of the University. Based on the assessment, the committee, made the following recommendations.

1. The broad Area of Research of the Candidate: **Design and Analysis of Wearable antenna for WBAN Applications**
2. The Research Scholar is advised to take the following Course work:

Course Code	Title of the Course	Credits	Core Course/Elective
RME001	Research Methodology	4	Core
RPE17001	Research and Publication Ethics	2	Core
20ECC552J	Advanced Antenna Design Techniques	4	Core
20ECE555T	Radio Frequency System Design	4	Elective
20ECE587T	Wireless Sensors and Body Area Networks	4	Elective

3. The Research Scholar is further advised that he should complete the above recommended course work before December 2022.
4. The Comprehensive viva-voce examination for the candidate as per the Ph.D Regulations would be held after completing the course work, but before June 2023.

Admission process into PhD program of JNTUK Kakinada for the Academic year 2021-2022 has been completed on behalf of AP State Council of Higher Education, conducted through the APRCET-2021. The Directorate of Admissions carried out the process of admission by taking up certificate verification. About 230 scholars opted to join JNTUK Kakinada and reported, after exercising their choice in the various departments of the University.

In continuation to the above process, the admitted research scholars are to be allocated to the Research Supervisors serving in Constituent Colleges and Research Centers of the Affiliated Engineering / Humanities and Social Sciences / Pharmacy / MBA Colleges of JNTUK Kakinada to act as the Supervisor / Co-supervisor in respective departments, by the Directorate of Research and Development.

Hence, this is to inform that the research scholars who were given provisional admission into the Ph.D programme for the academic year 2021-2022 are hereby requested to submit details in the prescribed Google form given below for the allocation of Supervisor (s). The filled in information should reach the Directorate of Research and Development, JNTU Kakinada on or before 10<sup>th</sup> August 2022. The list of the supervisors approved as per the University prescribed identification procedure is herewith enclosed.
