Dear Sir,

Keeping our surroundings clean will only help in the betterment of society. Every household generates waste or garbage. Now, waste or garbage should not be thrown anywhere, and everywhere, but only in trash bins. Throwing garbage all over the place will only dirty our surroundings and pollute the environment.

In this regard, The NSS Unit of PVP Siddhartha Institute of Technology has organized an awareness camp on Clean Surroundings in Kanuru village on 01-10-2013. The volunteers have distributed pamphlets and advised the villagers to keep their surroundings clean. I, on behalf of Kanuru Panchayat, appreciate their valuable services.
