**'Industry Institution Interaction'**

**Agreement**

**Between**

**Prasad V Potluri Siddhartha Institute of Technology**

**and**

**CII - Indian Green Building Council (IGBC)**

This Agreement is entered into on the **30<sup>th</sup> Day of August 2017** by and between **Prasad V Potluri Siddhartha Institute of Technology (PVPSIT)**, consisting of various technical, non-technical departments leading to degree and/or diploma programs in Engineering

And

Indian Green Building Council (IGBC) which is formed by Confederation of Indian Industry (CII). The IGBC is a consensus not-for-profit organization, representing the building Industry consisting of Architects, Builders, consultants, Manufacturers, Institution and others. The Council members work together to develop Green buildings standards and Guidelines and educational tools that enable the adoption of sustainable building design and Practices.

In order to promote the Green Building Concept and to extend mutual co-operation in some or all the fields of academic and professional endeavour, PVPSIT and IGBC agree to explore opportunities for collaboration in the areas described hereinunder:

1. Provide academic interaction through the special lectures by the members of IGBC.
2. Create opportunities for training of students in the domains of green buildings.
3. Conduct joint awareness programs /workshops/seminars / conferences for all stakeholders including educational institutions, professional bodies and public in general.
4. Seek mutual support and advice in conducting such awareness programs workshops, seminars and conferences.
5. Facilitate Green Building Study Missions
6. Utilize the resources of each other for awareness programs workshops, seminars and conferences.
7. Design, & Development of curriculum on Green buildings jointly
8. Promotion of concepts leading to energy efficiency in buildings.
9. Certify buildings of all the Institutions of the academy as per the IGBC guidelines and processes

10. Bulk registrations for IGBC AP post exclusive Training program for Students & Faculties of Technical departments

Specific agreements made for special events to be carried out jointly, signed by both the institutions or their nominees shall become the Annexure to this agreement. Unless otherwise agreed, each party shall bear their own cost in carrying out any collaboration under this agreement.

This agreement between **Prasad V Potluri Siddhartha Institute of Technology** and **Indian Green Building Council (IGBC)** will be valid when signed by the authorized representatives of both the parties and shall continue for a **period of five (05) years from the date of signing.** This agreement may be renewed, modified or terminated with the written consent of both the parties during or after the validity of effectiveness.

Either party may publish or advertise the existence of collaborations and collaborative activities under this Agreement.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) entered on the 15<sup>th</sup> day of December 2017

By and Between

**Prasad V.Potluri Siddhartha Institute Of Technology**, having its CAMPUS at (Kanuru, Vijayawada - 520007) and represented by its **Principal,PVPSIT, Kanuru**, (which expression shall mean and include its successors in office and assigns)

And

**Ladder Survey Institute Of Technology** having its office at No 125, Vasantha Street, Golden George Nagar, Nerkundram, Chennai – 600107 (hereinafter referred as "**LSIT**" for the sake of brevity) and represented by its Chief Executive Officer, **Mr. Dinesh M.R.** (which expression shall mean and include its successors in office and assigns)

### Objectives of the Collaboration:

- To provide employable skills to the students of *Prasad V.Potluri Siddhartha Institute Of Technology*.
- Make the student aware of the latest tools and techniques in order to keep them industry ready at the end of their course.
- Offer the course as per the requirements of the students of *Prasad V.Potluri Siddhartha Institute Of Technology*.
- Increase the employability of the student and maximize on the placement opportunities available.
- To build and improve the confidence level of the student to face the challenges of real time.
- This Memorandum of Understanding is to conduct a Unique, Step – By – Step, Systematic, and Employable Skills Development Program for the students of *Prasad V.Potluri Siddhartha Institute Of Technology* towards achieving the objective of maximizing the employable opportunities for students of *Prasad V.Potluri Siddhartha Institute Of Technology*.
- This Memorandum of Understanding states the terms and conditions under which the Trainings shall be conducted by **LSIT** at the premises of **Prasad V.Potluri Siddhartha Institute Of Technology** and lists herein the respective responsibilities of both parties.

### PREAMBLE:

To get a student employable and placed in an organization; over and above the subject knowledge he / she is expected to have the following:

- Strong Fundamental Engineering Knowledge
- Engineering related Multiple Technical Skills - Develop skills that add value
- While Subject Knowledge would be provided by *Prasad V.Potluri Siddhartha Institute Of Technology*, LSIT will equip the students with required industry specific land surveying, levels, levels transfer, benchmark setting, setting out/stake out/ marking skills.
- On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of *Prasad V.Potluri Siddhartha Institute Of Technology* by facilitating them to acquire the appropriate and relevant skills at *Prasad V.Potluri Siddhartha Institute Of Technology* itself through this program.

### **LSIT Shall Provide**

- Comprehensive LSIT reference and notes to all students for the course.
- Qualified trainers for the course.
- Periodical assessment of the progress of students for their further improvements.
- 'Certificate of Completion' to every student who successfully completes the training program.
- "Certificate of Association" to the college.
- Placement to the participated students shall be provided whenever there is a vacancy in our company.
- The participated students are allowed to participate in the internship program in our sites free of cost, accommodation shall be provided by LSIT, food shall be taken care by the students, a certificate shall be provided for the students whoever attends the Internship program.

### **Prasad V.Potluri Siddhartha Institute Of Technology Shall Provide:**

- The required number of computer systems in the lab and other required infrastructure for the practice
- The Class rooms with LCD projector for the theory classes.
- The Schedule with the classes for this training.
- The supports to ensure all students who have signed up for the class to attend the training programs scheduled for them.
- The relevant CAD software should be available in the computer systems.
- Disciplinary support for the smooth conduct and timely completion of the entire course.
- Minimum 30 Hours of Training time.
- Boarding and Lodging facilities for the trainers.

### **PARTICIPANTS:**

The participants would be the Students of *Prasad V.Potluri Siddhartha Institute Of Technology* from Civil Engineering Department from 3<sup>rd</sup> to the 8<sup>th</sup> Semesters.

### **COURSE CONTENTS:**

LSIT in consultation with *Prasad V.Potluri Siddhartha Institute Of Technology* shall finalize the courses for the skills development program. The same will be provided before start of every Programme. These will be reviewed every year and suitable changes, if required, will be incorporated. As the requirement of each course is different, courses and duration of the programme have been worked out separately.

### **TIME SCHEDULE**

The programs will be conducted during the days and timings provided by *Prasad V.Potluri Siddhartha Institute Of Technology*. The students will be divided into batches, depending on the total strength. The programs will be conducted according to the Time Table drawn up with the mutual consent of LSIT and *Prasad V.Potluri Siddhartha Institute Of Technology*. Utmost care will be taken to frame the time table in such a way that it does not coincide with college exams enabling the student to complete his training ahead of the exams. LSIT will not conduct any classes during the time of exams. In case of any change in training schedule the same will be intimated to the Program Coordinator of *Prasad V.Potluri Siddhartha Institute Of Technology*. Similarly, if *Prasad V.Potluri Siddhartha Institute Of Technology* wants a change in training schedule the same may be communicated to the Programme Coordinator of LSIT. In either of the case, a revised training schedule has to be made and the Programme Coordinators of both LSIT & *Prasad V.Potluri Siddhartha Institute Of Technology* and the respective

students must be informed about the change in training schedule by means of suitable media (emails/posters/circulars/notice board displays).

### **Programme Coordinator**

The **Principal / HOD of Civil Engineering** of *Prasad V.Potluri Siddhartha Institute Of Technology* shall appoint a "Programme Coordinator" for the duration of the program, who shall liaise with LSIT and make the training process learner-friendly and effective. LSIT shall work in close relationship with the Programme Coordinators, who in-turn shall keep a close touch with the students. In the event of any difference of opinion between LSIT and the Programme Coordinator, the matter should be referred to the Principal of *Prasad V.Potluri Siddhartha Institute Of Technology*, whose decision thereon shall be final and binding on both the parties.

### **COMMENCEMENT OF COURSE**

*Prasad V.Potluri Siddhartha Institute Of Technology* will ensure that the courses will start on mutual consultation of both the parties and available free time as per academic calendar of PVPSIT from the date of signing of MOU.

### **COURSE FEES & PAYMENT PATTERN**

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. The course, course fee, course deliverables, number of students & batch timings will be decided before start of the programme. The college shall provide 40% of the total cost before the commencement of the course. The remaining 60% shall be paid at the end.

### **COURSE COMPLETION:**

While LSIT will endeavor to complete the course as per the schedule mutually agreed upon, LSIT will not be responsible and accountable for delay in completing the course due to reasons which are beyond the control of LSIT. Reasons beyond the control of LSIT include – acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, labor dispute, strike, lockout or interruption or failure of electricity or telephone service, failure and non – availability of Computer Systems, non – availability of Classrooms), law and order problems, students unrest/strike/boycott, unscheduled changes in college curriculum and other unforeseen circumstances.

- Course will be completed as per the terms and conditions mutually agreed before the start of the course .

While it is mandatory for the student to have undergone the complete course as mentioned in terms and conditions mentioned before start of the programme, to be eligible for a Course Completion Certificate. In case he/she opts out due to any reason an appropriate certificate will be issued for only for that course completed by the student. Students will not be eligible for Certification for the courses that they have not completed.

LSIT will not issue "Certificate of Completion" to the successful student, if full payment is not made. LSIT will refund the fees once paid if the student opts out or discontinues the course at any stage due to any reason.

## VALIDITY

Both *Prasad V.Potluri Siddhartha Institute Of Technology* and LSIT shall have the rights to terminate this MOU by providing **THREE** months notice in writing on their respective letter head only at any point of time. Termination of this MoU for whatever reason shall be without prejudice to the rights of either party and of the students and the ongoing academic programmes.

This Memorandum of Understanding will be valid for a period of **3 years**.

This Memorandum of Understanding shall come into effect from **1st January 2018**.

Any clause or the article of the MOU may be modified or amended by mutual agreement of PVPSIT and LSIT.

### AGREEMENT BETWEEN

ANDHRA PRADESH STATE SKILL DEVELOPMENT CORPORATION

VIJAYAWADA

AND

PVP Siddhartha Institute of Technology, Krishna, Chalasani Nagar, Kanuru,  
Vijayawada, Andhra Pradesh 520007

The Agreement is executed on this 31<sup>st</sup> day of March 2018 (Effective Date) by and between, Andhra Pradesh State Skill Development Corporation having its office at 2<sup>nd</sup> Floor, NTR Administrative Block, PN Bus Station, Vijayawada - 520 013 hereinafter called the "APSSDC" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by the MD&CEO of the first part; And PVP Siddhartha Institute of Technology having its office at Chalasani Nagar, Kanuru, Vijayawada, Andhra Pradesh 520007, Krishnarein after called "PPSV" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by the **PRINCIPAL** of the second part;

APSSDC and PVP Siddhartha Institute of Technology shall herein after be collectively referred to as Parties and individually as first/second Party.

## **WHEREAS:**

The new state of Andhra Pradesh has come into existence after bifurcation of the erstwhile combined state of Andhra Pradesh in June-2014. In the process of fulfilling its commitment for formation of a modern State, the State has initiated its endeavors, primarily on infrastructure building and rapid industrialization. To support this initiative, Government of Andhra Pradesh (GoAP) has identified manufacturing as a key area and is establishing clusters to nurture growth in vital sectors like Auto and Electronics by setting-up industrial corridors, Special Economic Zones (SEZs) etc,. The immediate necessity for Industrialization is the manpower development. In the process of industrialization and infrastructure building, it is obligatory on the part of GoAP to simultaneously develop a large pool of skilled manpower to cater to the needs of the industry and service sectors. In this endeavor, the State has earnestly decided to address the skill shortage which is much projected by the user Industry. The initiative of Statewide high priority for skill development shall also ensure up-gradation of skills. The sectors with largest manpower requirement in the coming years will be Manufacturing, Construction, Hospitality, Banking, Financial Services and Insurance and Information Technology/IT enabled services.

Eventually, the Skill Development has occupied the key focus area of GoAP. The process of developing large pool of skilled manpower has been envisaged in partnership with industry to make the skill development mission more industry relevant and self-sustainable. In the process of achieving these goals, the GoAP has incorporated APSSDC as a special corporate which shall strive for the appropriate and demand driven Skill Development.

APSSDC in its several meetings has discussed and decided to achieve the goal of skill development with participative approach of the stakeholders' viz. the Government, Industry, academic institutions, youth and all other stakeholders. This participative approach will go a long way in accomplishing the task in economical, appropriate proportions with relevance in the shortest period. The APSSDC would provide the extra infrastructural requirements in selected academic institutions. In this process, the APSSDC has selected some of the leading Engineering Colleges/Govt. Polytechnics/Industry associated training institutions for providing the infrastructural facilities additionally required for running the Skill Development programs.

The APSSDC and PVP Siddhartha Institute of Technology which is selected for **CM's Skill Excellence Center (SEC)**: ICT Lab have mutually discussed and agreed to enter into this agreement as detailed hereinafter.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

### **2.1 DEFINITIONS:**

In this Agreement, the following expressions shall have the meaning stated herein:

**"Agreement"** shall mean this agreement executed between APSSDC and PVP Siddhartha Institute of Technology and shall include any written modifications thereof and the schedules attached hereto.

**"Applicable Law"** shall mean all the laws national and international, enacted or brought into force as the case may be and enforced by the GoI or GoAP as the case may be, and the regulations and notifications made there under and judgments, decrees, injunctions, writs and orders of any court of record, as may be in force and effect.

**"CM's Skill Excellence Center: ICT Lab"** shall mean multi-skill focused Skill Excellence Centre

at reputed Engineering Colleges in CSE, IT, ECE, EEE, Mechanical and Civil streams. These **CM's Skill Excellence Centers: ICT Labs** will be selected, established and implemented by APSSDC in active collaboration and assistance from the host College, as per the terms of this Agreement.

**"Effective Date"** shall mean the date of signing of this Agreement.

**"GoAP"** means the Government of Andhra Pradesh and its concerned department, SD&EI.

**"Equipments"** means/includes Laptops, Projector, Wi-Fi routers, Audio system

**"CM's Skill Excellence Center: ICT Labs"** shall mean college-level skill development centres connected with APSSDC over internet, where local students can access and learn out of the interactive digital courseware, online programs, hands-on training, offline Workshops and global certification programs.

### **3. SCOPE OF SERVICES / PROJECT**

- a. To make qualitative improvements in imparting Technical Skills by setting up or providing:
  - Infrastructure in college laboratories by adopting latest technologies in engineering streams of CSE, IT, ECE, EEE, Mechanical and Civil to serve the needs the industry;
  - Skill up-gradation of faculty by imparting training;
  - Update course curriculum to suit modern industrial practices;
  - Promote Research & Development and Innovation for existing Industries.
  - **CM's Skill Excellence Center: ICT Labs** to focus on training students in line with the latest Industry needs and make them more employable
- b. **Promote Industry** – Academia interfacing to make improvements in Technical Skills sustainable and in line with Industry requirements.
- c. **Train students to improve employability** - Improved placements of students in colleges and enable the students to compete in national employment market with better remuneration and professional growth.
- d. Enhance the reputation of Technical Institutions with improved academic ambience and State of Art facilities
- e. Create a pool of skilled manpower to cater to the current and future industrial and service sector needs.
- f. Guidelines and procedures prescribed / as may be prescribed from time to time by APSSDC for implementation.

### **4. SCOPE OF THE FIRST PARTY**

The APSSDC shall

- Select reputed academic/Industrial Training Institutions through a stipulated procedure.

- Provide a platform for registration of trainees online and mapping of institutions and students
- Provide equipment with latest technology to fill up the gap required to suit the skill development training requirements –laptops (as per the configuration given in Annexure I).
- Train the faculty in the required skill.
- Identify and provide course curriculum to suit latest and future technologies.
- Promote Research & Development and Innovation for existing Industries.
- To get the evaluation of the Skill Development programs done by third party for assessing the impact with respect to quality and quantitative placements.
- **Exercise its right to cancel the permission now granted to the institutions in the event of not fulfilling their obligations.**

## **5. SCOPE OF THE SECOND PARTY**

The Academic institution shall provide and follow the guidelines presented:

### **SDC:**

College should setup one Skill Development Center lab and equip it on the lines of CM's SEC for APSSDC training exclusively.

### **CM's SEC:**

Capacity to provide E-Classroom space to accommodate 37 systems lab with LCD Projector, Audio System & to ensure internet connectivity of 150Mbps bandwidth.

### **Infrastructure:**

The necessary infrastructure as per the project specifications including electrical fittings, electricity and Power backup, water, furniture and fixtures and Air-conditioning

### **Adequate security:**

The College should be responsible and held accountable for safety of the lab equipment.

### **Faculty & Students:**

- To mobilize faculty and students of the college/institution for trainings and Certification.
- College should make a commitment on the count of faculty and students for APSSDC Training programs as mentioned - **50% of annual intake / students on rolls** – for participation in APSSDC programs like Workshops, online programs, Certification programs, any other programs announced by APSSDC from time to time out of which 50% students are to get certified from the Globally recognized MOOCs

# MEMORANDUM OF AGREEMENT

This Memorandum of Agreement (hereinafter referred to as MoA) is signed on the 1<sup>st</sup> day of September 2017.

## BETWEEN

Asia Pacific University of Technology and Innovation (hereinafter referred to as APU) with its registered location at Technology Park Malaysia, Kuala Lumpur, Malaysia and shall include its lawful representatives and permitted assigns;

## AND

PVP Siddhartha Institute of Technology (PVPSIT) with its registered location at Kanuru – 520007, Vijayawada, Andhra Pradesh, India and shall include its lawful representatives and permitted assigns;

Hereinafter referred to singularly as “the Party” and collectively as “the Parties”.

The Parties are desirous of entering into this Memorandum of Agreement to declare their respective intentions and to establish a basis of co-operation and collaboration between the Parties upon the terms as contained herein.

**HAVE REACHED AN AGREEMENT** as follows:

## ARTICLE 1: OBJECTIVE

The Parties, subject to the terms of this MoA and the laws, rules, regulations and national policies from time to time in force in each Party's country, will endeavor to strengthen, promote and develop co-operation between the Parties on the basis of equality and mutual benefit.

## ARTICLE 2: AREAS OF CO-OPERATION

1. Subject to the law, rules, regulations and national policies from time to time in force, governing the subject matter in their respective countries, each Party will act as a stimulus for a wide range of collaborative activities including but not restricted to:
  - Promote contacts among scholars, students and personnel of both scientific institutions,
  - Develop and to encourage joint research, seminars, conferences, workshops, and to also assist each other in obtaining external funding from outside sources for research,
  - Develop and promote, when opportunities avail, links in teaching, research and joint study/research programmes,

- Encourage any other activities that both scientific institutions agree to be of mutual benefit,
  - Identify any other areas of co-operation for strategic alliance to be mutually agreed upon by the Parties.
2. For the purpose of implementing the co-operation in respect of any area stated in paragraph 1, the parties will enter into a legally binding agreement subject to terms and conditions as mutually agreed upon by the Parties and this agreement will be subject to and not separable from this MoA.

### **ARTICLE 3: FINANCIAL ARRANGEMENTS**

This MoA will not give rise to any financial obligation by one Party to the other. Each party will bear its own cost and expenses in relation to this MoA. All the financial issues emerging from the implementation of any joint projects must be negotiated and determined between the two parties case by case.

### **ARTICLE 4: EFFECT OF MEMORANDUM OF AGREEMENT**

This MoA serves only as a record of the Parties' intentions and does not constitute or create, and is not intended to constitute or create obligations under domestic or international law and will not give rise to any legal processes and will not be deemed to constitute or create any legally binding or enforceable obligations, express or implied.

### **ARTICLE 5: NO AGENCY**

Nothing contained herein is to be construed so as to constitute a joint venture partnership or formal business organization of any kind between the Parties or so to constitute either Party as the agent of the other.

### **ARTICLE 6: ENTRY INTO EFFECT AND DURATION**

1. This MoA will come into effect on the date of signing and will remain in force for a period of three (3) years.
2. This MoA may be extended for a further period as may be agreed in writing by the Parties.
3. This MoA may be terminated at any time by either party giving the other party written notice of no less than ONE (1) calendar month upon breach of the terms governing the MoA. However the existing joint programme, if any, should be completed by both the parties irrespective of the termination of MoA.

Whereas IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM / NASSCOM) an integral part of NASSCOM is the skill standard settingbody of theIT-ITeS Industry and is also the education & skill development initiative of NASSCOM; SSC NASSCOM works with its industry members and select academic and skill development institutions to help improve the quality and quantity of the employable workforce available to this industry;

The 'Project' here is the **"Qualification Pack (QP) based training programs"** developed with an objective of scaling quality capacity.

NASSCOM / SSC NASSCOM, University and APSSDC will herein be referred to independently as 'First Party', 'Second Party' and 'Third Party' respectively and collectively referred to as 'Parties'.

THE MOU WITNESSED AND THE PARTIES HERETO AGREE AS FOLLOWS:

A handwritten signature, possibly 'V', is written on the line.

A handwritten signature, possibly 'A', is written on the line.

### 1. Objective of the MoU

- (a) Increase the employability of students in Universities under the aegis of University by facilitating the development and introduction of the QP-based training programs
- (b) Help facilitate a sustainable Faculty Development Program
- (c) Facilitate teaching-learning support for pursuance of the said course/s to enhance student employability
- (d) Recommend relevant courseware, certain books, e-tools, e-content and websites to support the self-paced learning for students
- (e) Introduce the skill assessment/metric for QP-based assessments for students at the entry level, in conjunction with the programs, to analyse the efficacy of the multiple skill development programs
- (f) Introduce the skill assessment/metric for QP-based assessments for students, to facilitate employment at the entry level
- (g) Facilitate students towards QP certification via these newly introduced course/s during the UG program and appear for the QP assessment at the appropriate NSQF level
- (h) Establish Centres of Excellence (CoE) for skill development

### 2. Period of MoU

This MoU shall come into force on 4<sup>th</sup> January 2016 and will be valid for a period of three years from the said date, and after the expiry of the said time period is open to extension as per mutually agreed terms and conditions.

### 3. Responsibility of NASSCOM / SSC NASSCOM

SSC NASSCOM / NASSCOM through its identified Partner (Member) Companies, herein called the Regional Council, agrees to:

- (a) Share the list of QPs in IT Services (ITS), Software Products (SPD), Engineering Research & Development (ERD) and Business Process Management (BPM) sub-sectors that are preferred by the industry / are of interest to industry
- (b) Help the Universities identify the QPs, for which Elective Courses will be developed and offered for students
- (c) Provide support to Universities via NASSCOM Regional Council members to help develop the curricula (OBF) Outcomes based Framework and courseware for the identified QPs, both as Facilitator's Guides and Student Handbooks
- (d) Train as feasible, select faculty from identified colleges (nominated by Universities who would participate in the development of QP-based programs) and from identified Third Party Training Providers, as nominated jointly by SSC NASSCOM / NASSCOM and Universities, as one batch [of 25 per QP (Qualification Pack)], as 'Master Faculty/Trainers'
- (e) The modus operandus of Master Faculty training is to be detailed and directed consultatively by Universities and SSC NASSCOM / NASSCOM
- (f) Provide Universities, at cost, (INR 800/- per student per test exclusive of taxes) with a student employment assessment tool w.r.t. to QP-based programs for Technology students at entry level, that is applicable post the training of the QP courses. Taxes as applicable will be paid by the Parties concerned.
- (g) Facilitate a consultative approach by helping Universities set up a "WORKING GROUP" to identify Third Party Training Providers, if required. This group will also be empowered to take

decisions on modalities/logistics for the smooth roll out of the program. This group will be a composition of Government, Industry and Academia.

- (h) Provide the guidelines necessary for a skill development cycle and the information infrastructure requirements for the program, as indicated in the Outcomes Based Framework of the same.
- (i) The Outcomes Based Framework for each of the QPs and the Certification for the same will be provided/facilitated by SSC NASSCOM /NASSCOM @INR 5000/- exclusive of taxes (per QP) for APSSDC. Universities may choose to use the curricula of the QP concerned in the OBF format finalized under the aegis of APSSDC, or go in for the Curriculum Alignment for the same as per their own requirement, at cost (@INR 5000/- exclusive of taxes per QP). Taxes as applicable will be paid by the Parties concerned.
- (j) NASSCOM Regional Council Members to review and monitor the conduct of training sessions, primarily for feedback
- (k) Post the conduct of training, facilitate assessments of students on QPs at cost (presently at INR 800/-per student per test, exclusive of taxes) via identified assessment providers
- (l) Maintain a centralised employment portal which is aimed to facilitate the employability of students that are trained and assessed using QP-based assessments
- (m) Provide an analysis of the student performance on the basis of the scores attained. SSC NASSCOM / NASSCOM & Universities jointly own the database of trained resources through, which would be shared with all NASSCOM members (including the ones who have provided their concurrence towards recognizing the program). Intent would be to increase the scope of employment opportunities.
- (n) Facilitate the development of courseware hand books for teachers & students for the designed QP curriculum by September First Week 2015 for Phase I QPs identified
- (o) Provide support to Universities via Industry Experts in the identified tracks of Job roles/QPs from preferably 2 Large Scale, 2 Medium Scale and 2 Small Scale companies
- (p) Facilitate 'Guest Lectures' for the QPs/Job Roles identified on periodic basis
- (q) Facilitate establishment and running of CoEs on best effort basis, with no financial commitment from NASSCOM / SSC NASSCOM
- (r) Nominate a POC who will support this initiative in coordination with University

#### **Process:**

- (a) Help identification of QPs, for which training programs will be developed; with help from NASSCOM members to support Universities in development of curricula and courseware
- (b) Facilitate the formation of the 'Working Group', for the project
- (c) Provide a list of Third Party Training Providers / Licensed Training Providers (LTPs) of SSC NASSCOM / NASSCOM
- (d) Facilitate selection of faculty from colleges and LTPs, if required
- (e) Facilitate the training of Master Trainers from Third Party Training Providers and from colleges, on QP-based programs
- (f) Facilitate conduct of QP-based assessments for the students trained at selected colleges.
- (g) Enable assessment analysis for the Final assessments and as a comparison with others in the country

#### **4. Responsibility of the University**

- (a) Select the list of QPs, basis feedback from SSC NASSCOM / NASSCOM for which training programs will be developed and deployed for students

- (b) Develop the curricula and courseware for the identified QPs with help from NASSCOM's members
- (c) Post development of content, select colleges for Phase I of this project.
- (d) Identify the requisite number students from the Universities colleges identified to undergo the training program and assessments
- (e) Facilitate QP-based assessments, at cost, for the target student audience in Universities
- (f) Select Third Party Training Providers, jointly with SSC NASSCOM / NASSCOM and APSSDC, for the programs as per selection criteria and process defined by SSC NASSCOM / NASSCOM, if required
- (g) Select the necessary faculty identified from the colleges to be trained by SSC NASSCOM / NASSCOM
- (h) Select faculty from the identified colleges (Universities to screen such faculty based on certain selection parameters prescribed by SSC NASSCOM / NASSCOM), who will be trained on the programs along with the faculty from the Third Party Training Provider, so that they can handhold students during the Phase I
- (i) SSC NASSCOM / NASSCOM to share the guidelines on awareness / promotion material & any other related material specific to other States (for reference) regarding the program with Universities. Universities would use this material to promote programs amongst target educational institutes
- (j) Organise the logistics and facilitate the Industry Trainers program for the programs towards:
  - a. Faculty development
  - b. Student training

This will also include boarding & lodging, local travel for Industry Trainers for the programs.

- (k) Organise the logistics and facilitate the Third Party Training Providers for the programs towards:
  - a. Faculty development
  - b. Student training

This will also include boarding & lodging, local travel for such Trainers for the programs.

- (l) SSC NASSCOM / NASSCOM & Universities to jointly own up database of trained resources, which would be shared with all NASSCOM members (including the ones who have provided their concurrence towards recognizing the program). Intent would be to increase the scope of employment opportunities
- (m) Universities to bear the cost of conducting the Master Trainer program, except the cost of Industry Trainers as indicated below in the Clause 'Funding'
- (n) Universities to conduct TTT and the subsequent student training at its own cost
- (o) Universities/institutions to implement student training programs on a uniform fee structure prescribed in consultation with the APSSDC. The mode of collection and sharing of such fees between the Parties concerned will be on mutually agreeable terms and conditions.
- (p) For the conduct of QP based assessments Universities shall make 100% advance payment of assessment cost to NASSCOM/SSC NASSCOM i.e. the First Party for all the batches for which the First Party shall have given acceptance against requisition and the First Party shall give an acknowledgement of advance payment.  
 Assessment cost shall be paid on the basis of registered/scheduled number of candidates (this covers those passed, failed and also coverers absentees on the day of the assessment as well) subject to a minimum batch-size, which is 30 candidates per batch. The cost for a QP assessment and the subsequent certification is currently is at INR.800/- (exclusive of taxes). Taxes, under various statutes if any, will be borne by the Parties concerned.
- (q) Other requirements for the smooth conduct of QP based assessments are indicated in:

- Annexure A: Information regarding the necessary infrastructure for the smooth conduct of assessments to be provided by Universities
- Annexure B: QP Assessment Attendance Sheet
- Annexure C: Candidate ID proof
- Annexure D: Malpractice Avoidance Sheet

**Process:**

**Part-A:-**

- (a) A 'Working Group', to be formed by Universities, comprising of members from Universities, Academia, University and Industry/NASSCOM
- (b) The Group shall identify the following:
  - a. List of QPs for which training will be offered at Universities
  - b. Development of curricula and courseware for the identified QPs
  - c. Identify colleges to be taken up for Phase I of the project
  - d. Identify students from the above identified colleges, for this project
  - e. Selection of Third Party Training Providers
  - f. Selection of recommended faculty per college, who shall get trained on pedagogy and content along with the Third Party Training Providers, if required. The college faculty who shall shadow the trainers from Third Party Providers during the student training sessions.
  - g. The terms of Agreement with the Third Party Training Provider, including deliverables
  - h. The logistics and schedules of training of the identified faculty from the Third Party Training Providers by the members of the Regional Council
  - i. The Project Implementation Plan for Phase I of the project, including timelines for

<b>Action</b>	Training	→ Post-Training Test	→ Employment Facilitation
<b>Tool</b>	QP-based Program	QP-based assessments	Through member companies
<b>Outcome</b>	Participation certificate (with 100% attendance)	Performance as per industry benchmarks for employment	Facilitation of employment for deserving candidates

- Eligibility – Pre-Final year Engineering undergraduates for Phase I of the project
- Master Training: Industry Trainer to Master Trainers ratio- 1:25
- Teacher-Student ratio per batch – 1:30

#### 5. Responsibility of APSSDC

- (a) APSSDC will facilitate the necessary support for enabling and for the successful completion of the programs, for the period of the MoU as identified by APSSDC and the University / Institutions.
- (b) APSSDC will help in the identification of QPs for which training programs are to be developed, in consultation with NASSCOM / SSC NASSCOM, and to support the Universities/Institutions in the development of curricula and courseware.
- (c) APSSDC will be involved in the working group and its activities in designing QP-based curricula, related courseware and its implementation.
- (d) APSSDC will be instrumental in the implementation of this program in a standardized form across various Universities / Institutions who are a part of this MOU.
- (e) APSSDC will also monitor and evaluate the smooth conduct of assessments and subsequent placements by the University / Institution. The financial implication of the same shall be borne by the University / Institution concerned.

- (f) APSSDC will be the overall monitoring and implementing agency, overseeing the proper implementation of training programs in the respective University / Institutions and will provide the vital link between the various parties and stakeholders concerned.

#### **6. Responsibility of SSC NASSCOM / NASSCOM Test Provider**

SSC NASSCOM / NASSCOM Test provider for QP-based assessments shall conduct assessments for the students identified for the pilot project at cost.

Universities will use assessments as appropriately to measure the impact of skill transference and help students to be employed reaching out to the IT Industry.

#### **Process**

SSC NASSCOM / NASSCOM Test Provider shall:

- (a) Validate the test center (colleges) w.r.t. the infrastructure requirement for the conduct of the test
- (b) Provide scores post the tests
- (c) Provide Analysis w.r.t. the score for students

#### **7. Placement**

SSC NASSCOM / NASSCOM partner companies (i.e. those supporting this project) shall have the first right to offer employment to the candidates at any time during or after completion of the course concerned.

SSC NASSCOM / NASSCOM & Universities jointly own database of trained resources through, which would be shared with all NASSCOM members (including the ones who have provided their concurrence towards recognizing the program). Intent would be to increase the scope of employment opportunities

SSC NASSCOM/NASSCOM will support Universities in a job fair by facilitating the presence of member companies at no extra cost for the placement of students certified for the QPs concerned

#### **8. Trademark**

The Parties agree that SSC NASSCOM / NASSCOM logo, as shared by SSC NASSCOM / NASSCOM and APSSDC logo, shall be used in all promotion documents only post formal approval of the content the Parties concerned.

#### **9. Intellectual Proprietary rights in SSC NASSCOM / NASSCOM material**

- (a) The proprietary rights in relation to the material provided to University and Universities w.r.t. QPs shall rest with SSC NASSCOM / NASSCOM; Universities shall have the right to use the curricula and course material in accordance to the terms of this MoU.
- (b) SSC NASSCOM / NASSCOM is the owner of all the intellectual proprietary rights with regard to the training material thus developed (teacher & the taught), and neither this MoU nor the

training material shall directly or indirectly create for University / Universities under its aegis any right, title or interest therein

- (c) University and Universities acknowledge and agree that SSC NASSCOM / NASSCOM owns all rights, title/s and interest in SSC NASSCOM / NASSCOM training material/s, including, without limitation, all intellectual property rights and goodwill therein. Universities will not delete or alter in any manner the copyright, trademark and other proprietary rights, notices etc. appearing in the training material provided by SSC/NASSCOM

#### **10. Indemnity**

University and Universities also hereby agrees to indemnify and hold SSC NASSCOM / NASSCOM harmless from any loss, claim, damage, costs, taxes, duties, additions, penalties, interest thereon or expenses of any kind, including the attorney's fees if any, to which SSC NASSCOM / NASSCOM may be subjected to by virtue of any finding related to the terms of the MoU or by virtue of any contravention and or non-compliance on the part of University and Universities and vice-versa with any laws, ordinance, regulations and codes as may be applicable from time to time.

#### **11. Jurisdiction and Arbitration**

In the event of any or difference between the Parties hereto, the courts in Delhi alone shall have exclusive jurisdiction to try any matter arising between the Parties here-to and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Delhi as mutually decided at that time for this purpose.

Any other aspects not covered in this MoU relevant to this program, and dispute etc arising about any aspect of the MoU shall be settled through mutual consultation and agreement, by the Parties to this MoU. In case a settlement is not arrived at, the dispute/s will come under the purview of the Arbitration and Conciliation Act, 1996 of India and the area of jurisdiction will be Delhi

#### **12. Termination**

- (a) Either Party shall have the right to terminate the MoU, if the other Party commits a material breach of any of the terms and conditions of the MoU concerned and fails to rectify the same within 30 days of being requested to do so in writing.
- (b) In the eventuality of termination or non-renewal of MoU on expiry of MoU, it would be the responsibility of SSC/ NASSCOM to complete its commitment towards the project; Universities to complete and provide its services to all students admitted as per the regulation of Universities with reference to the project identified in this MOU for the 'QP-based Program/ Course'. In such an eventuality, Universities will continue to use the learning material for students already enrolled for the Programs, subject to the official intimation of the anticipated day of closure.

#### **13. Amendment of the MoU**

If during the operation of MoU, circumstances may rise which call for alteration / modification to this MoU, such alteration / modification shall be mutually discussed and agreed upon in writing with the approval of the appropriate authority of Universities and SSC NASSCOM / NASSCOM.

Such changes will be formalized in writing as an 'Addendum' to this MoU and will be deemed to be a part of this MoU.

#### 14. Force Majeure

- (a) Notwithstanding anything contained elsewhere in the contract, the parties shall not be liable for liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure
- (b) For purposes of this Clause, "Force Majeure" means an event beyond the control of parties and not involving parties and not involving fault or negligence not foreseeable by or beyond the control of parties. Events also include wars or rebellion, strikes, bandhs, fires, floods, epidemics, quarantine restrictions and freight embargoes etc.
- (c) If a Force Majeure situation arises, either Party shall promptly notify the other in writing of such conditions and the cause thereof. Unless otherwise directed by Universities in writing, SSC NASSCOM / NASSCOM shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. Universities or SSC NASSCOM / NASSCOM can opt out of this MoU on mutually agreeable terms and conditions in writing, as the case may be, prompted by a Force Majeure.

This MOU is prepared as three originals (one for SSC NASSCOM / NASSCOM, APSSDC and for the University) and comes into force on the day when all Parties have signed it.

**Memorandum of Understanding**

**Teaching/Research Lab Setup at PVP Siddhartha  
Institute of Technology, Vijayawada**

This memorandum of understanding is signed on the 07<sup>th</sup> day of March, 2013, between the following institutions:

- a. Cranes Software International Limited, Bangalore (referred to as Cranes henceforth) which is University Program Partner of Texas instruments ,India
- b. PVP Siddhartha Institute of Technology, Vijayawada

This Memorandum of Understanding is proposed in order to establish a teaching/research lab facility in the area of Embedded Systems/Microcontrollers at PVP Siddhartha Institute of Technology, Vijayawada.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of the Executive Director of Cranes Varsity (a division of Cranes Software), and the Principal of PVP Siddhartha Institute of Technology, Vijayawada. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) **Lab Setup:** The College will provide space in there existing lab to set up "Texas Instruments Embedded Systems Lab" or "Texas Instruments Microcontroller Lab" at its premises. Cranes agrees to donate development kits based on Texas Instruments MSP430 Microcontrollers worth Rs.60,000/- to the college Laboratory under TI India University Program to setup Texas Instruments Embedded Systems Lab. Cranes, working with TI India, will also provide the branding materials to set up the lab – e.g. posters and nameplates. The College will be responsible for purchasing any other equipment required for setting up the lab and for the maintenance of the lab. Cranes agrees to provide the necessary Initial startup training and learning materials to begin with utilization of Lab.

## ORACLE WORKFORCE DEVELOPMENT PROGRAM ("WDP") AGREEMENT

### DEFINITIONS

"You" and "your" refers to the entity (and its wholly-owned and majority-owned subsidiaries and authorized partners) that meets the criteria set forth below and has executed this agreement ("agreement") with and ordered Oracle programs, materials and/or services from Oracle India Private Limited ("Oracle"). The term "Instructor" means an individual that you employ to teach a WDP Class and who has demonstrated experience and mastery of the Oracle Programs and WDP Materials specific to such WDP Class. The term "WDP Class" means an instructor-led class, delivered in-person or virtually, that you provide to Students in a Department that uses the Programs and WDP Materials in accordance with this agreement. The term "Student" means a student enrolled by you pursuant to the terms of this agreement. The term "Department" means one of your divisions of instruction (e.g., Computer Science, Engineering, or Training Center). The term "WDP Instructor Materials" means the teaching material available from Oracle for your Instructors to use when teaching a WDP Class, which may include: Instructor manuals, Instructor presentation materials, set-up scripts, and documentation. The term "WDP Student Materials" means a single copy of the Student materials available from Oracle that you must provide to each Student for use in conjunction with the applicable WDP Class, which may include student guides, reference guides, and documentation. Oracle may provide WDP Student Materials in electronic format for download or in hard copy format, as designated by Oracle. The term "WDP Learning Subscription" means the collection of web-based learning materials available for purchase by you as part of the WDP program and as described in more detail at [www.oracle.com/education](http://www.oracle.com/education). The term "WDP Materials" means the WDP Instructor Materials and WDP Student Materials, collectively. The term "WDP website" means the website established and maintained by Oracle for the Oracle Workforce Development Program, located at <http://workforce.oracle.com>. Certain information, materials and documents which this agreement describes as being located at the WDP website may be supplied to you directly by Oracle if the WDP website is unavailable. The term "Services" means technical support, WDP Learning Subscription, education, Oracle instructor, or any other services provided under this agreement. The Services made available to you by Oracle as part of the WDP program are listed on the WDP website. The term "Programs" means the Oracle software products owned or distributed by Oracle for which you receive licenses subject to the terms of this agreement, as well as program documentation and any program updates acquired through technical support, that are listed on the WDP website at [https://workforce.oracle.com/wdp\\_software.html](https://workforce.oracle.com/wdp_software.html) and on your order summary provided by Oracle.

### WDP CURRICULUM GUIDELINES

You must:

- schedule WDP Classes so that no more than 12 hours of instruction per WDP Class are delivered in any given week. In the event that the WDP Class is delivered using WDP Learning Subscriptions, the in-class instructor-led component shall not exceed 12 hours in any given week. The 12-hour per week instructional limits stated above shall apply in all cases, unless the WDP Classes comprise 70% or less of a full-time training program that is at least five months in duration.
- reference in the WDP Class your use of Oracle Programs, Services and WDP Materials.
- supply a single copy of the relevant WDP Student Materials to each Student in a WDP Class.
- maintain a registered WDP Member Account with Oracle for each of your facilities. Any delivery of WDP Classes to Students located in a country other than that specified in this agreement is prohibited.
- provide Oracle with a valid, unique e-mail address for each Student name to facilitate Oracle's delivery of electronic versions of WDP Student Materials, as applicable.
- be responsible for lab technical support for WDP Classes.
- submit to Oracle a brief outline of your plan to teach WDP Classes and submit forecasts as requested by Oracle.

PRINCIPAL  
PRASAD V. POTLURI  
SRIKANTHA INSTITUTE OF TECHNOLOGY  
KASHEGODI, MANGALWADI, 520 007

- use only WDP Materials, Services and/or Programs specified by the Oracle Workforce Development Program when teaching a WDP Class.

### **RIGHTS GRANTED**

Subject to the terms of this agreement, you may use the Programs and receive and distribute any Services for teaching WDP Classes only; such use specifically excludes your internal data processing operations. Such use and distribution includes teaching up to the number of Students ("Named Users") specified in the online ordering process accepted by Oracle. "Named Users" are Students authorized by you to use the Programs and/or Services for this purpose, regardless of the number of Students actively using a Program at any given time. You may copy the Programs only for your licensed use within the Department teaching the relevant WDP Class. Additional terms and conditions applicable to certain Services and specified at [www.oracle.com/education](http://www.oracle.com/education) may apply to your order.

Subject to the terms of this agreement, Oracle grants to you a nonexclusive, nontransferable license to distribute a single paper copy or electronic copy of the WDP Student Materials (as applicable) to each Student in the WDP Class for the sole purpose of taking the WDP Class. You must purchase WDP Student Materials directly from Oracle for such distribution. The terms and process for such purchases are set forth on the WDP website. Notwithstanding the foregoing, in the event that your bookstore is a separate entity from yourself, you may permit your bookstore to distribute copies of the WDP Student Materials as specified in this section (if applicable), provided that you are responsible for your bookstore's compliance with the terms of this agreement.

If you purchase WDP Instructor Materials, subject to the terms of this agreement, Oracle grants to you a nonexclusive, nontransferable license to distribute a single copy of the WDP Instructor Materials for the sole purpose of the Instructor teaching a WDP Class or teaching other Instructors how to teach a WDP Class.

### **OWNERSHIP AND RESTRICTIONS**

Oracle retains all ownership and intellectual property rights to the Programs, Services and WDP Materials, including anything developed by Oracle and delivered to you under this agreement resulting from the Services.

### **Limitations on Use**

You may not:

- remove or modify any Program markings, any notice of Oracle's proprietary rights or alter any electronic versions of the WDP Materials;
- make the WDP Materials or Programs or materials resulting from the Services available in any manner to any third party for use in the third party's business operations;
- cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of the Programs; or
- disclose results of any Program benchmark tests without Oracle's prior written consent.

### **PUBLICITY**

You agree that Oracle may publicize your participation in the Oracle Workforce Development Program. This includes without limitation details about the WDP Classes that you provide.

### **FEES AND TAXES**

The fee(s) (1) to enter into this agreement per Department, per location, and (2) for any WDP Student Materials, WDP Instructor Materials and/or Services ordered by you, shall be the fee(s) as set forth on the WDP website and on your order summary.

EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

YOU SHALL NOT MAKE ANY WARRANTY ON ORACLE'S BEHALF.

#### LIMITATION OF LIABILITY

NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR DATA USE. ORACLE'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER IN CONTRACT OR IN TORT, OR OTHERWISE, SHALL BE LIMITED TO THE AMOUNT OF THE FEES YOU PAID ORACLE UNDER THIS AGREEMENT.

#### CONFIDENTIALITY

By virtue of this agreement, the parties may have access to information that is confidential to one another ("confidential information"). We each agree to disclose only information that is required for the performance of obligations under this agreement. Confidential information shall be limited to the Programs, the terms and pricing under this agreement, the WDP Materials, Services and all information clearly identified as confidential.

A party's confidential information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on disclosure; or (d) is independently developed by the other party.

We each agree to hold each other's confidential information in confidence for a period of three years from the date of disclosure. Also, we each agree to disclose confidential information only to those employees or agents who are required to protect it against unauthorized disclosure. Nothing shall prevent either party from disclosing the terms or pricing under this agreement or orders submitted under this agreement in any legal proceeding arising from or in connection with this agreement or disclosing the information to a federal or state governmental entity as required by law.

#### USE OF THE ORACLE TRADEMARKS

Oracle grants you a non-exclusive, non-transferable right to use, during the Term, the Oracle Workforce Development Program logo on your marketing materials solely to promote WDP Classes in conjunction with your other class offerings. Your use of the WDP logo shall strictly comply with Oracle's WDP Logo Guidelines set forth at [https://workforce.oracle.com/documents/WDP\\_Guidelines.pdf](https://workforce.oracle.com/documents/WDP_Guidelines.pdf). You shall not use the WDP logo in a manner that misrepresents your relationship with Oracle or is otherwise misleading, or that reflects negatively on Oracle. All products and services in connection with which you use the WDP logo shall conform to Oracle's quality standards and meet or exceed industry standards. You shall cooperate with Oracle to allow for review of your use of the WDP logo and compliance with Oracle's quality standards. If Oracle, in its sole discretion, determines that your use of the WDP logo is not in compliance with this agreement, you shall promptly modify or discontinue your use of the WDP logo as directed by Oracle. Oracle may change the WDP logo and WDP Logo Guidelines, and, upon reasonable notice from Oracle, you shall promptly modify your use of the logo to conform to any such changed WDP logo or WDP Logo Guidelines. You acknowledge that you are granted no rights with respect to Oracle trademarks except as expressly set forth herein, and agree that any use of the WDP logo by you shall inure to the sole benefit of Oracle. You agree to provide reasonable assistance to Oracle in connection with the protection and prosecution of Oracle trademarks. You agree not to use Oracle trademarks or potentially confusing variations of Oracle trademarks (including "Ora") as a part of any of your trademarks, product names, service names, company name, or Internet addresses. You agree to indemnify Oracle for any loss, liability, damages, cost or expense (including attorneys' fees) arising out of any

claims which may be made against Oracle arising out of your use of the WDP logo where such claim relates to your activities, products or services. Notwithstanding the above, you shall have no obligation to indemnify Oracle with respect to a claim of trademark or copyright infringement based upon your use of the WDP logo as expressly permitted under this agreement.

#### **EXPORT**

Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Programs. You agree that such export control laws govern your use of the Programs (including technical data) and any Services provided under this agreement, and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program and/or materials resulting from Services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

#### **PRIVACY**

Oracle may collect certain information from you in connection with your registration for, and Oracle's provision of, certain products and services, including certain information provided by you and pertaining to your Students. Oracle University will abide by the Oracle Privacy Policy, a current version of which is set forth at <http://www.oracle.com/html/privacy.html>. You are responsible for obtaining any necessary consents from your Students in connection with the information provided by you to Oracle in connection with this Agreement.

#### **OTHER**

This agreement is governed by the substantive and procedural laws of India and you and Oracle agree to submit to the exclusive jurisdiction of, and venue in, the courts in New Delhi in any dispute arising out of or relating to this agreement.

If you have a dispute with Oracle or if you become subject to insolvency or other similar legal proceedings, you will promptly send written notice to: 7th, 8th & 9th Floor, One Horizon Center, DLF Golf Course Road, DLF City V, Sector 43, Gurgaon, Haryana 122003, Attention: General Counsel, Legal Department.

You may not assign this agreement or give or transfer the Programs, WDP Materials and/or any Services or an interest in them to another individual or entity. If you grant a security interest in the Programs, WDP Materials and/or any Services deliverables, the secured party has no right to use or transfer the Programs, WDP Materials and/or any Services deliverables.

Except for actions for nonpayment or breach of Oracle's proprietary rights, no action, regardless of form, arising out of or relating to this agreement may be brought by either party more than two years after the cause of action has accrued.

You will maintain books and records relating to the provision of WDP Classes under this agreement. Upon 45 days written notice, we may audit your WDP Classes and your use of the Programs, WDP Materials and/or other materials acquired by you under this agreement. You agree to cooperate with our audit and provide us with reasonable assistance and access to information. You agree to pay within 30 days of written notification any fees applicable to your use of the Programs in excess of your license rights. If you do not pay, Oracle can end your technical support, licenses and/or this agreement. You agree that Oracle shall not be responsible for any of your costs incurred in cooperating with the audit.

In all matters relating to this agreement, you will act as an independent contractor. Neither party will represent that it has any authority to assume or create any obligation, express or implied, on behalf of the other party.

not to represent the other party as agent, employee, franchisee, or in any other capacity. The relationship between the parties is not exclusive.

You will avoid deceptive, misleading, illegal or unethical practices that may be detrimental to Oracle, WDP Classes or the Workforce Development Program when teaching WDP Classes and/or distributing WDP Materials and Programs.

The Uniform Computer Information Transactions Act does not apply to this agreement.

You warrant that you have the authority to bind your wholly-owned and majority-owned subsidiaries and authorized partners to the terms of this agreement and any applicable order with Oracle and you agree that you shall be responsible for any breach of any such terms by any such entities.

#### ENTIRE AGREEMENT

Potluri Siddhartha Institute of Technology ( hereafter called PVPSIT ) situated at Kanuru, Vijayawada, and Silicon Andhra to provide Information Technology (IT) and civil Engineering services to a village( Kuchipudi ) in Andhra Pradesh.

WHEREAS, Silicon Andhra is engaged in adoption of Kuchipudi village to modernize as a smart village in all aspects to enhance the life style of the villagers. As a Part of this Silicon Andhra needs to design and develop **Village Information System, Health Information System, Agriculture Information System, develop infrastructure like drainage, hospital buildings etc.,** and providing training and consultancy to Government School students.

WHEREAS, PVPSIT is associated with Silicon Andhra and work together in design and development of required web sites and necessary training for their needs. The PVPSIT is also associated in soil testing, surveying and designing of structures and drainage system planned by Silicon Andhra.

WHEREAS, both PVPSIT and Silicon Andhra, now

- Recognizing the importance to develop Information Technology based application for villagers and formers, as well as imparting on field training to the B.Tech. Students, etc.
- Appreciating the need for creation of large reservoir of high quality and useful software applications related to rural development.
- Desiring to club their efforts by pooling their expertise and resources.
- Planning to develop infrastructure

INTEND to form a nucleus for promoting excellent quality manpower in the fields of Information of Technology with special emphasis on web development, database management systems, and related fields and civil Engineering.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both PVPSIT and Silicon Andhra hereby acknowledge, PVPSIT and Silicon Andhra hereby agree to sign a memorandum of understanding (MOU).

## SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between PVPSIT and Silicon Andhra for enriching, **"IT in rural areas"**, the development of high quality technology in the areas of **Health, Agriculture, and Rural Development and improvement of infrastructure** without any prejudice to prevailing rules and regulations in PVPSIT and Silicon Andhra. The areas of cooperation can be extended through mutual consent.

## SCOPE AND TERMS OF INTERACTIONS

Both PVPSIT and Silicon Andhra shall encourage interactions between the doctors, staff, faculty members and students of both the organizations through the following arrangements:

- a) Silicon Andhra may request for design and development of high quality technology in the areas of **Health, Agriculture, and Rural Development** etc. and infrastructure etc.,
- b) Silicon Andhra may request for design and teach a Course or Courses which it deems fit to enhance quality and performance of its employees and people of Kuchipudi. Such Courses maybe run at any mutually convenient premises.
- c) Silicon Andhra may seek assistance/guidance of PVPSIT faculty member/s in product/process modification, modernization, trouble shooting, for the developed applications.
- d) Silicon Andhra may seek assistance/guidance of PVPSIT faculty members in soil Testing, Surveying, Structural designs and design of drainage system.
- e) Would allow the visits of students/ faculty members for full day to provide them with an exposure to real problems of villagers for their daily life.
- f) Students will carry out part of their B.Tech. Projects at PVPSIT depending on the work as per rules of the Institute.
- g) Both PVPSIT and Silicon Andhra will be free to independently carry out follow-up development on the work conducted under this scheme.
- h) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

## EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date of its approval by authorities at both ends.
- b) **The duration of the MOU shall be for a period of two (2) years from the effective date.**
- c) During its tenancy, the MOU may be extended or terminated by a prior notice of not less than three (3) months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty who have been involved to do their project under the MOU.
- d) Any clause or article of the MOU may be modified or amended by mutual agreement of PVPSIT and Silicon Andhra

**In witness whereof PVPSIT and Silicon Andhra have entered into this memorandum of understanding (MOU) on 28<sup>th</sup> November 2015.**

## 1. Objective of the MoU

- (a) Increase the employability of students in Universities under the aegis of University by facilitating the development and introduction of the QP-based training programs
- (b) Help facilitate a sustainable Faculty Development Program
- (c) Facilitate teaching-learning support for pursuance of the said course/s to enhance student employability
- (d) Recommend relevant courseware, certain books, e-tools, e-content and websites to support the self-paced learning for students
- (e) Introduce the skill assessment/metric for QP-based assessments for students at the entry level, in conjunction with the programs, to analyse the efficacy of the multiple skill development programs
- (f) Introduce the skill assessment/metric for QP-based assessments for students, to facilitate employment at the entry level
- (g) Facilitate students towards QP certification via these newly introduced course/s during the UG program and appear for the QP assessment at the appropriate NSQF level
- (h) Establish Centres of Excellence (CoE) for skill development

## 2. Period of MoU

This MoU shall come into force on 4<sup>th</sup> January 2016 and will be valid for a period of three years from the said date, and after the expiry of the said time period is open to extension as per mutually agreed terms and conditions.

## 3. Responsibility of NASSCOM / SSC NASSCOM

SSC NASSCOM / NASSCOM through its identified Partner (Member) Companies, herein called the Regional Council, agrees to:

- (a) Share the list of QPs in IT Services (ITS), Software Products (SPD), Engineering Research & Development (ERD) and Business Process Management (BPM) sub-sectors that are preferred by the industry / are of interest to industry
- (b) Help the Universities identify the QPs, for which Elective Courses will be developed and offered for students
- (c) Provide support to Universities via NASSCOM Regional Council members to help develop the curricula (OBF) Outcomes based Framework and courseware for the identified QPs, both as Facilitator's Guides and Student Handbooks
- (d) Train as feasible, select faculty from identified colleges (nominated by Universities who would participate in the development of QP-based programs) and from identified Third Party Training Providers, as nominated jointly by SSC NASSCOM / NASSCOM and Universities, as one batch [of 25 per QP (Qualification Pack)], as 'Master Faculty/Trainers'
- (e) The modus operandus of Master Faculty training is to be detailed and directed consultatively by Universities and SSC NASSCOM / NASSCOM
- (f) Provide Universities, at cost, (INR 800/- per student per test exclusive of taxes) with a student employment assessment tool w.r.t. to QP-based programs for Technology students at entry level, that is applicable post the training of the QP courses. Taxes as applicable will be paid by the Parties concerned.
- (g) Facilitate a consultative approach by helping Universities set up a "WORKING GROUP" to identify Third Party Training Providers, if required. This group will also be empowered to take

decisions on modalities/logistics for the smooth roll out of the program. This group will be a composition of Government, Industry and Academia.

- (h) Provide the guidelines necessary for a skill development cycle and the information infrastructure requirements for the program, as indicated in the Outcomes Based Framework of the same.
- (i) The Outcomes Based Framework for each of the QPs and the Certification for the same will be provided/facilitated by SSC NASSCOM /NASSCOM @INR 5000/- exclusive of taxes (per QP) for APSSDC. Universities may choose to use the curricula of the QP concerned in the OBF format finalized under the aegis of APSSDC, or go in for the Curriculum Alignment for the same as per their own requirement, at cost (@INR 5000/- exclusive of taxes per QP). Taxes as applicable will be paid by the Parties concerned.
- (j) NASSCOM Regional Council Members to review and monitor the conduct of training sessions, primarily for feedback
- (k) Post the conduct of training, facilitate assessments of students on QPs at cost (presently at INR 800/-per student per test, exclusive of taxes) via identified assessment providers
- (l) Maintain a centralised employment portal which is aimed to facilitate the employability of students that are trained and assessed using QP-based assessments
- (m) Provide an analysis of the student performance on the basis of the scores attained. SSC NASSCOM / NASSCOM & Universities jointly own the database of trained resources through, which would be shared with all NASSCOM members (including the ones who have provided their concurrence towards recognizing the program). Intent would be to increase the scope of employment opportunities.
- (n) Facilitate the development of courseware hand books for teachers & students for the designed QP curriculum by September First Week 2015 for Phase I QPs identified
- (o) Provide support to Universities via Industry Experts in the identified tracks of Job roles/QPs from preferably 2 Large Scale, 2 Medium Scale and 2 Small Scale companies
- (p) Facilitate 'Guest Lectures' for the QPs/Job Roles identified on periodic basis
- (q) Facilitate establishment and running of CoEs on best effort basis, with no financial commitment from NASSCOM / SSC NASSCOM
- (r) Nominate a POC who will support this initiative in coordination with University

**Process:**

- (a) Help identification of QPs, for which training programs will be developed; with help from NASSCOM members to support Universities in development of curricula and courseware
- (b) Facilitate the formation of the 'Working Group', for the project
- (c) Provide a list of Third Party Training Providers / Licensed Training Providers (LTPs) of SSC NASSCOM / NASSCOM
- (d) Facilitate selection of faculty from colleges and LTPs, if required
- (e) Facilitate the training of Master Trainers from Third Party Training Providers and from colleges, on QP-based programs
- (f) Facilitate conduct of QP-based assessments for the students trained at selected colleges.
- (g) Enable assessment analysis for the Final assessments and as a comparison with others in the country

**4. Responsibility of the University**

- (a) Select the list of QPs, basis feedback from SSC NASSCOM / NASSCOM for which training programs will be developed and deployed for students

- (b) Develop the curricula and courseware for the identified QPs with help from NASSCOM's members
- (c) Post development of content, select colleges for Phase I of this project.
- (d) Identify the requisite number students from the Universities colleges identified to undergo the training program and assessments
- (e) Facilitate QP-based assessments, at cost, for the target student audience in Universities
- (f) Select Third Party Training Providers, jointly with SSC NASSCOM / NASSCOM and APSSDC, for the programs as per selection criteria and process defined by SSC NASSCOM / NASSCOM, if required
- (g) Select the necessary faculty identified from the colleges to be trained by SSC NASSCOM / NASSCOM
- (h) Select faculty from the identified colleges (Universities to screen such faculty based on certain selection parameters prescribed by SSC NASSCOM / NASSCOM), who will be trained on the programs along with the faculty from the Third Party Training Provider, so that they can handhold students during the Phase I
- (i) SSC NASSCOM / NASSCOM to share the guidelines on awareness / promotion material & any other related material specific to other States (for reference) regarding the program with Universities. Universities would use this material to promote programs amongst target educational institutes
- (j) Organise the logistics and facilitate the Industry Trainers program for the programs towards:
  - a. Faculty development
  - b. Student training

This will also include boarding & lodging, local travel for Industry Trainers for the programs.

- (k) Organise the logistics and facilitate the Third Party Training Providers for the programs towards:
  - a. Faculty development
  - b. Student training

This will also include boarding & lodging, local travel for such Trainers for the programs.

**Memorandum of Understanding**

**Teaching/Research Lab Setup at PVP Siddhartha  
Institute of Technology, Vijayawada**

This memorandum of understanding is signed on the 07<sup>th</sup> day of March, 2013, between the following institutions:

- a. Cranes Software International Limited, Bangalore (referred to as Cranes henceforth) which is University Program Partner of Texas instruments, India
- b. PVP Siddhartha Institute of Technology, Vijayawada

This Memorandum of Understanding is proposed in order to establish a teaching/research lab facility in the area of Embedded Systems/Microcontrollers at PVP Siddhartha Institute of Technology, Vijayawada.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of the Executive Director of Cranes Varsity (a division of Cranes Software), and the Principal of PVP Siddhartha Institute of Technology, Vijayawada. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) **Lab Setup:** The College will provide space in there existing lab to set up "Texas Instruments Embedded Systems Lab" or "Texas Instruments Microcontroller Lab" at its premises. Cranes agrees to donate development kits based on Texas Instruments MSP430 Microcontrollers worth Rs.60,000/- to the college Laboratory under TI India University Program to setup Texas Instruments Embedded Systems Lab. Cranes, working with TI India, will also provide the branding materials to set up the lab – e.g. posters and nameplates. The College will be responsible for purchasing any other equipment required for setting up the lab and for the maintenance of the lab. Cranes agrees to provide the necessary Initial startup training and learning materials to begin with utilization of Lab.

# MEMORANDUM OF UNDERSTANDING

BETWEEN

**P. V. P Siddhartha Institute of Technology,  
Vijayawada-7.**

AND

**Silicon Andhra,  
Silicon Valley, USA.**

## PREAMBLE

This Memorandum of Understanding (MOU) sets for the terms and understanding between Prasad V. Potluri Siddhartha Institute of Technology ( hereafter called PVPSIT ) situated at Kanuru, Vijayawada, and Silicon Andhra to provide Information Technology (IT) services to a village( Kuchipudi ) in Andhra Pradesh.

WHEREAS, Silicon Andhra is engaged in adoption of Kuchipudi village to modernize as a smart village in all aspects to enhance the life style of the villagers. As a Part of this Silicon Andhra needs to design and develop **Village Information System, Health Information System, Agriculture Information System**, and providing training and consultancy to Government School students.

WHEREAS, PVPSIT is associated with Silicon Andhra and work together in design and development of required web sites and necessary training for their needs.

WHEREAS, both PVPSIT and Silicon Andhra, now

- Recognizing the importance to develop Information Technology based application for villagers and formers, as well as imparting on field training to the B.Tech. Students, etc.
- Appreciating the need for creation of large reservoir of high quality and useful software applications related to rural development.
- Desiring to club their efforts by pooling their expertise and resources.

INTEND to form a nucleus for promoting excellent quality manpower in the fields of Information of Technology with special emphasis on web development, database management systems, and related fields.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both PVPSIT and Silicon Andhra hereby acknowledge, PVPSIT and Silicon Andhra hereby agree to sign a memorandum of understanding (MOU).

## SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between PVPSIT and Silicon Andhra for enriching, "**IT in rural areas**", the development of high quality technology in the areas of **Health, Agriculture, and Rural Development** etc. without any prejudice to prevailing rules and regulations in PVPSIT and Silicon Andhra. The areas of cooperation can be extended through mutual consent.

## SCOPE AND TERMS OF INTERACTIONS

Both PVPSIT and Silicon Andhra shall encourage interactions between the doctors, staff, faculty members and students of both the organizations through the following arrangements:

- a) Silicon Andhra may request for design and development of high quality technology in the areas of **Health, Agriculture, and Rural Development** etc.

- b) Silicon Andhra may request for design and teach a Course or Courses which it deems fit to enhance quality and performance of its employees and people of Kuchipudi. Such Courses may be run at any mutually convenient premises.
- c) Silicon Andhra may seek assistance/guidance of PVPSIT faculty member/s in product/process modification, modernization, trouble shooting, for the developed applications.
- d) Would allow the visits of students/ faculty members for full day to provide them with an exposure to real problems of villagers for their daily life.
- e) Students will carry out part of their B.Tech. Projects at PVPSIT depending on the work as per rules of the Institute.
- f) Both PVPSIT and Silicon Andhra will be free to independently carry out follow-up development on the work conducted under this scheme.
- g) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

#### EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date of its approval by authorities at both ends.
- b) The duration of the MOU shall be for a period of two (2) years from the effective date.
- c) During its tenancy, the MOU may be extended or terminated by a prior notice of not less than three (3) months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty who have been involved to do their project under the MOU.
- d) Any clause or article of the MOU may be modified or amended by mutual agreement of PVPSIT and Silicon Andhra

In witness whereof PVPSIT and Silicon Andhra have entered into this memorandum of understanding (MOU) on 28<sup>th</sup> November 2015.

training material shall directly or indirectly create for University / Universities under its aegis any right, title or interest therein

- (c) University and Universities acknowledge and agree that SSC NASSCOM / NASSCOM owns all rights, title/s and interest in SSC NASSCOM / NASSCOM training material/s, including, without limitation, all intellectual property rights and goodwill therein. Universities will not delete or alter in any manner the copyright, trademark and other proprietary rights, notices etc. appearing in the training material provided by SSC/NASSCOM

#### **10. Indemnity**

University and Universities also hereby agrees to indemnify and hold SSC NASSCOM / NASSCOM harmless from any loss, claim, damage, costs, taxes, duties, additions, penalties, interest thereon or expenses of any kind, including the attorney's fees if any, to which SSC NASSCOM / NASSCOM may be subjected to by virtue of any finding related to the terms of the MoU or by virtue of any contravention and or non-compliance on the part of University and Universities and vice-versa with any laws, ordinance, regulations and codes as may be applicable from time to time.

#### **11. Jurisdiction and Arbitration**

In the event of any or difference between the Parties hereto, the courts in Delhi alone shall have exclusive jurisdiction to try any matter arising between the Parties here-to and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Delhi as mutually decided at that time for this purpose.

Any other aspects not covered in this MoU relevant to this program, and dispute etc arising about any aspect of the MoU shall be settled through mutual consultation and agreement, by the Parties to this MoU. In case a settlement is not arrived at, the dispute/s will come under the purview of the Arbitration and Conciliation Act, 1996 of India and the area of jurisdiction will be Delhi

#### **12. Termination**

- (a) Either Party shall have the right to terminate the MoU, if the other Party commits a material breach of any of the terms and conditions of the MoU concerned and fails to rectify the same within 30 days of being requested to do so in writing.
- (b) In the eventuality of termination or non-renewal of MoU on expiry of MoU, it would be the responsibility of SSC/ NASSCOM to complete its commitment towards the project; Universities to complete and provide its services to all students admitted as per the regulation of Universities with reference to the project identified in this MOU for the 'QP-based Program/ Course'. In such an eventuality, Universities will continue to use the learning material for students already enrolled for the Programs, subject to the official intimation of the anticipated day of closure.

#### **13. Amendment of the MoU**

If during the operation of MoU, circumstances may rise which call for alteration / modification to this MoU, such alteration / modification shall be mutually discussed and agreed upon in writing with the approval of the appropriate authority of Universities and SSC NASSCOM / NASSCOM.

Such changes will be formalized in writing as an 'Addendum' to this MoU and will be deemed to be a part of this MoU.

#### 14. Force Majeure

- (a) Notwithstanding anything contained elsewhere in the contract, the parties shall not be liable for liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure
- (b) For purposes of this Clause, "Force Majeure" means an event beyond the control of parties and not involving parties and not involving fault or negligence not foreseeable by or beyond the control of parties. Events also include wars or rebellion, strikes, bandhs, fires, floods, epidemics, quarantine restrictions and freight embargoes etc.
- (c) If a Force Majeure situation arises, either Party shall promptly notify the other in writing of such conditions and the cause thereof. Unless otherwise directed by Universities in writing, SSC NASSCOM / NASSCOM shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. Universities or SSC NASSCOM / NASSCOM can opt out of this MoU on mutually agreeable terms and conditions in writing, as the case may be, prompted by a Force Majeure.

This MOU is prepared as three originals (one for SSC NASSCOM / NASSCOM, APSSDC and for the University) and comes into force on the day when all Parties have signed it.

**Memorandum of Understanding**

**Teaching/Research Lab Setup at PVP Siddhartha  
Institute of Technology, Vijayawada**

This memorandum of understanding is signed on the 07<sup>th</sup> day of March, 2013, between the following institutions:

- a. Cranes Software International Limited, Bangalore (referred to as Cranes henceforth) which is University Program Partner of Texas instruments, India
- b. PVP Siddhartha Institute of Technology, Vijayawada

This Memorandum of Understanding is proposed in order to establish a teaching/research lab facility in the area of Embedded Systems/Microcontrollers at PVP Siddhartha Institute of Technology, Vijayawada.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of the Executive Director of Cranes Varsity (a division of Cranes Software), and the Principal of PVP Siddhartha Institute of Technology, Vijayawada. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) **Lab Setup:** The College will provide space in there existing lab to set up "Texas Instruments Embedded Systems Lab" or "Texas Instruments Microcontroller Lab" at its premises. Cranes agrees to donate development kits based on Texas Instruments MSP430 Microcontrollers worth Rs.60,000/- to the college Laboratory under TI India University Program to setup Texas Instruments Embedded Systems Lab. Cranes, working with TI India, will also provide the branding materials to set up the lab – e.g. posters and nameplates. The College will be responsible for purchasing any other equipment required for setting up the lab and for the maintenance of the lab. Cranes agrees to provide the necessary Initial startup training and learning materials to begin with utilization of Lab.

This memorandum of understanding is signed on the 07<sup>th</sup> day of March, 2013, between the following institutions:

- a. Cranes Software International Limited, Bangalore (referred to as Cranes henceforth) which is University Program Partner of Texas instruments, India
- b. PVP Siddhartha Institute of Technology, Vijayawada

This Memorandum of Understanding is proposed in order to establish a teaching/research lab facility in the area of Embedded Systems/Microcontrollers at PVP Siddhartha Institute of Technology, Vijayawada.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of the Executive Director of Cranes Varsity (a division of Cranes Software), and the Principal of PVP Siddhartha Institute of Technology, Vijayawada. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) **Lab Setup:** The College will provide space in there existing lab to set up "Texas Instruments Embedded Systems Lab" or "Texas Instruments Microcontroller Lab" at its premises. Cranes agrees to donate development kits based on Texas Instruments MSP430 Microcontrollers worth Rs.60,000/- to the college Laboratory under TI India University Program to setup Texas Instruments Embedded Systems Lab. Cranes, working with TI India, will also provide the branding materials to set up the lab – e.g. posters and nameplates. The College will be responsible for purchasing any other equipment required for setting up the lab and for the maintenance of the lab. Cranes agrees to provide the necessary Initial startup training and learning materials to begin with utilization of Lab.

**Memorandum of Understanding**

**Teaching/Research Lab Setup at PVP Siddhartha  
Institute of Technology, Vijayawada**

This memorandum of understanding is signed on the 07<sup>th</sup> day of March, 2013, between the following institutions:

- a. Cranes Software International Limited, Bangalore (referred to as Cranes henceforth) which is University Program Partner of Texas instruments, India
- b. PVP Siddhartha Institute of Technology, Vijayawada

This Memorandum of Understanding is proposed in order to establish a teaching/research lab facility in the area of Embedded Systems/Microcontrollers at PVP Siddhartha Institute of Technology, Vijayawada.

Through this Memorandum of Agreement, the two parties agree to the following.

- (a) A **steering committee** will be set up to monitor the activities of the MoU. The committee will consist of the Executive Director of Cranes Varsity (a division of Cranes Software), and the Principal of PVP Siddhartha Institute of Technology, Vijayawada. With mutual consent, the steering committee can be expanded to include more members from the two institutions. The steering committee will be the supreme body as far the implementation of the activities of the MoU, the continuation of the MoU, and termination of the MoU are concerned.
- (b) **Lab Setup:** The College will provide space in there existing lab to set up "Texas Instruments Embedded Systems Lab" or "Texas Instruments Microcontroller Lab" at its premises. Cranes agrees to donate development kits based on Texas Instruments MSP430 Microcontrollers worth Rs.60,000/- to the college Laboratory under TI India University Program to setup Texas Instruments Embedded Systems Lab. Cranes, working with TI India, will also provide the branding materials to set up the lab – e.g. posters and nameplates. The College will be responsible for purchasing any other equipment required for setting up the lab and for the maintenance of the lab. Cranes agrees to provide the necessary Initial startup training and learning materials to begin with utilization of Lab.
