The Principal
PVP Siddhartha Institute of Technology (PVPSIT)
Kanuru, Vijayawada
Andhra Pradesh

Dear Sir

Subject: Proposal for establishment of NI LabVIEW Academy based Competence Development Program

Greetings from National Instruments!

We, National instruments, strongly believe in bridging the gap between Industry and Academia. We would like to establish **NI Competence Development Program (CDP)** at PVP Siddhartah institute of Technology, Vijayawada to encourage the students to "Do Engineering" with Graphical System Design Platform of NI. In this connection, we are pleased to submit a proposal for the same and looking forward your collaboration.

We are enclosing the following details for your kind perusal and approval.

- Requirements for establishment of NI CDP
- Key Benefits & beneficiaries of NI CDP
- Cost of the proposal

Thanking you and assuring you the best of our services at all the times

For NI SYSTEMS INDIA (P) LTD

Amal K Sebastian
Academic Technical Consultant

Requirements for establishment of NI Competence Development Program

S.No	Description	Availability @PVPSIT	Additional Requirements
1	Computer lab with minimum of 30 systems, Projector, Audio system, White board & marker	Yes	NIL
2	NI LabVIEW Academy Software – Min. of 30 users	NO	YES
3	NI Academy hardware Bundle – - myDAQ Integrated Electronic Circuits Education hardware bundle – 10 qty - myRIO FPGA based System design hardware bundle – 10 qty - Virtual Bench – 01qty - NI LabVIEW Academy Instructor workbook – 01qty (Softcopy) - NI LabVIEW Academy Student workbook – 01qty (softcopy)	NO	YES
4	Instructor with CLAD certification to conduct the courses	NO	NI will train free of cost (10 faculty members)

Key Benefits of NI LabVIEW Academy at PVPSIT Campus

- NI will train PVPSIT faculties on LabVIEW software platform & Measurement and Automation hardware platform free of cost.
- NI will recognize PVPSIT as authorized training and certification centre to conduct LabVIEW Core 1 & 2 courses at campus for the internal and external students
- With the establishment of Academy, PVPSIT can conduct a course size of 200 students per year and a minimum of Rs. 4,00,000/- will be recovered per course (200 * Rs. 2,000/per head)
- After the successful completion of the course, PVPSIT can issue participation certificate with NI logo to the participants
- After the Successful completion of the course, the students can appear for globally recognized certification exam CLAD and passing the exam will enable the students to get job in core engineering industries.
- The same facility can be extended it to providing consultancy for Small and Medium enterprises (SMEs).

Benefits to Students:

- Meet curriculum requirements
- Doing experiments beyond the curriculum
- Doing in-house final / pre-final year real time projects
- Students can get globally recognized certification
- Opportunity to get in to core engineering industries
- Competing with globally challenging students with strong engineering knowledge
- Participating in National & International Conferences
- 70% discount on CLAD exam fees

To Faculty:

- Teaching engineering with more practical way and industry standard technology
- Completion of PhD using the NI LabVIEW Academy Centre facility
- Publications in National & International journals
- Joint proposal submission to funding agencies in association with NI technology
- Revenue generation by doing training & Consultancy

To Institute:

- NI Authorized LabVIEW Academy School
- NI Logo in the Participation Certificate.
- MoU between National Instruments & Institute
- Institute name in flagship award winning website of NI and global recognition
- Revenue Generation.
- Transforming to Research and Development and industry collaboration
- Recognition with NAAC, NBA, ABET accreditation
- Multiple depts. (ECE, EEE, ICE, MECH, CIVIL) can use the facility of Academy
- Career development and job opportunity through community.

Long term Support

- NI will train the group of faculties for the duration of five days every year (duration of three years) free of cost on each module respectively and make it sure the academy will be self sustained to run the courses and projects to students.
- Additional training will be on payment basis which will be decided mutually

Cost of the Proposal:

Course Details	H/w requirements	Budget (INR)
NI LabVIEW Core 1 and 2 with CLAD certification course Lab details:	NI general purpose myDAQ hardware – 10 units NI FPGA based Embedded System Design RIO hardware bundle with sensors– 10 units NI PITSCO Robotics kit – 01 unit NI Virtualbench - 01 qty NI Instructor Course preparation material (soft copy) – 01 set NI Student workbook (softcopy) – 01 set	25,00,000

Course Details	S/w requirements	Budget (INR)
NI LabVIEW Graphical Programming Language	NI LabVIEW Graphical system Design Software (50 users) – Only upgrade is required	9,74,000

Total Value	34,74,000.00
Discount	15,42,816.35
Investment from Institute	19,31,183.65
Taxes	205,357.92
Total (Incl. of tax)	21,36,541.57

Terms and Conditions:

Payment   - Net30
Delivery   - 3-4 weeks from the date of purchase order
Warranty   - One year
Tax   - Included

By the end of Jan 2017 total amount will be spent / released.

Dear Professor

Greetings!

1. In continuation to our discussion, we are shipping LabVIEW Academy posters by tomorrow's courier. You can track the same in coordination with Mr Thomas (Mobile: 91-94819-05267) from NI

2. The guest from NI who is going to be part of the inauguration and MoU ceremony is

Shri Solaikutty Dhanabal,

Academic Program Manager- IndRAA

National Instruments

Kindly share the invitation with agenda as early as possible

3. Regarding the sponsorship for this event, I got an approval of Rs. 10000/- (Ten Thousand) to be paid to PVPSIT. Kindly share the RTGS details to do the needful

Thanks

TIIC-IADC 2014 - Communication #6 - Components Distribution

Sep 28, 2013

Dear All,

The First Component Distribution Event of TIIC-IADC 2014 is scheduled on October 6, 2013 in Hyderabad.
Please note the following:-

a.   You are receiving this mail because your college is located in *Andhra Pradesh or Orissa*, please do not forward this mail to other teams.

b.   It is mandatory for all the teams in Andhra Pradesh and Orissa to attend this event and collect the components. TI will not ship the components to the colleges directly.

c.   *Who should attend this event from your team?*

   •   Each college must be represented by a minimum of 2 and a maximum of 3 representatives. Only one of the selected representatives from your college must register online **here** no later than *October 1, 5 pm*. The selection of the representatives is left to you. In case none of the team members are able to attend this event for some reason, please authorize a representative from the college to attend. He/She must bring a letter of authorization. We strongly advise you to

attend because the event also includes a Q/A session where you may raise questions relating to the contest.

- Please make your own arrangements for travel and stay.

- Please note that depending upon the number of teams from your college there may be some luggage for you to carry back; you are advised to plan accordingly.

d. The College Representatives must carry their college ID card and a Xerox copy of the ID card. Components will not be handed over without these documents.

e. The venue for the Components Distribution is as follows:

Seminar Hall

Muffakham Jah College of Engineering & Technology

8-2-249,Mount Pleasant,Road No. 3,

Banjara Hills, Hyderabad- ,500 034

f. Local Faculty Contact

Mohammed Abdul Raheem

Assistant Professor, Dept of ECE

Muffakham Jah College of Engineering and Technology

Mobile – 9393327279

g. The agenda for event is given below

October 6, 2013 - Sunday	
10:00AM - 10:30AM	Report at Seminar Hall
10.45AM – 11.00AM	Tea/Coffee
11.00AM – 12.00PM	About TIIC India Analog Design Contest 2014 – Part 1
12.00PM – 01.00PM	Distribution of Components
01.00PM – 02.00PM	Lunch
02.00PM – 05.00PM	About TIIC India Analog Design Contest 2014 – Part 2

Please note that since we are dealing with large number of teams, we may not be able to respond to phone call/ individual mails. We appreciate your cooperation.

We thank the faculty and the management of Muffakham Jah College of Engineering and Technology for their help in organizing this event.

Regards
TIIC-IADC 2014 Team

Sir,

Sub:- CAF App to a Mobile Project-reg.

We and the department of Information Technology of PVPSIT initiated an R & D project for the client Idea cellular network. As part of this project, dept. of IT took up a module from Bridge IT solutions and successfully completed.

As part of this work Bridge IT solutions conveying congratulations to IT department team of PVPSIT for excellent roll out of those modules and committed FTR. The developed Mobile App is Available in Google Ply store with name ievolve CAF Scanner and can be freely downloadable at https://play.google.com/store/apps/details?id=com.bitievolve&hl=en .

PVPSIT team efficiently executed phase like interface design, coding and conducted Formal Technical reviews. We are paying an amount of Rs. 26400.00 towards your effort during the development of above said phases in terms of person months by considering UFP.

Here with we have enclosed a DD of an amount Rs. 26400.00. We hope few more modules will be rolled out in the near future under your patronage.

Thanking you

(For Bride IT Solutions)
