This is to inform all students of that Entrepreneurship Development Cell of CSE in collaboration with department of ECE and MBA will be organising a 3 day "Innofusion: Gen Z Innovation Summit" from 9th to 11th March 2026 at Room No 270. All students of CSE, ECE and MBA are requested to go through the event details available in the brochure attached and register for active participation.

Dharma Tantragyaan Kurukshetra: Innovating for Justice

"NextGen Solutions for a Fair World."

Event Concept: *"Innovate for Justice: Tech Entrepreneurship for Strong Institutions"*

SDG 16: Peace, Justice, and Strong Institutions

Students showcase **tech-driven solutions** that promote transparency, accountability, and secure systems — directly addressing **SDG 16.6**. The event also nurtures entrepreneurial thinking by encouraging students to pitch their ideas as potential startups.

Expected Outcomes:

- Students showcase innovative solutions that promote transparency, accountability, and secure systems.
- Cross-discipline collaboration and networking.
- Entrepreneurial pathways for student projects.

Event Summary Report

1. Name of the Event: **GEN AI HACKATHON**
2. Event Type: Hackathon
3. Duration: Dates: 24-02-2026 to 26-02-2026
4. Venue: Offline
5. Resource Person (s) with complete address along with mail-id:

Name: **Mr. Minish Kumar M**

Designation: Software Engineer at Microsoft

Mail-id: **manishkumar56@gmail.com**

Topics covered: Understanding the AI Study Buddy, Code Explainer & Debugger, Career Guidance AI, Voice Learning Assistant, Build **AI study tools** (summarizer, quiz generator, study buddy) to improve learning. Create **coding & productivity assistants** (code explainer, resume builder, planner). Develop **creative or social impact apps** (story generator, career guidance, and wellness bot).

Amount Spent: NIL

a) Amount collected from students if any: NIL

6. Event conducted for: (Student s/ Faculty / Both): Students-287

7. No. of participants: 287

a) Mention Count separately if students and faculty both were attended:287

b) If any outside participants were attended give their Name, Designation, College/Industry name they are working: NIL

c) Total No. of Participants:287

8. Target Audience (Mention studied Year of students): II B. Tech CSE Students

9. Brief Description of the Event:

A Gen AI event brings together **researchers, industry experts, developers, students, and businesses** to explore how generative AI technologies create new content such as text, images, audio, and video. Expert talks and keynote sessions, Hands-on workshops and demonstrations, Panel discussions on trends, ethics, and challenges The main objective is to **share knowledge, showcase innovations, and discuss real-world applications** of generative AI in fields like education, healthcare, business, and entertainment.
