All the faculty members of the Department of Civil Engineering are hereby informed that the department is organizing a **One Week Online Faculty Development Programme (FDP)** on **"Recent Advances in Civil Engineering – RACE-2K26"** from **23rd - 28th March 2026**.

The FDP will feature keynote and expert sessions by eminent academicians and industry professionals. The Keynote Speakers are Prof. C. S. R. K. Prasad, Hon'ble Vice Chancellor, JNTUK; Prof. P. Dinakar, IIT Bhubaneswar; Prof. G. Rajesh Kumar, NIT Warangal; Prof. M. Anji Reddy, JNTU Hyderabad; Dr. Prasanna Kumar Behera, IIT Tirupati; Dr. Pranav R. T. Peddinti, SRM University-AP; Dr. Prateeksha Mahamallik, NIT Rourkela; Dr. Utpal Ghosh, NIT Jamshedpur; Sri A. R. Shiva Kumar, Former Scientist; and Mr. D. Srinivas Reddy, Senior Infrastructure Planner, ADCL.

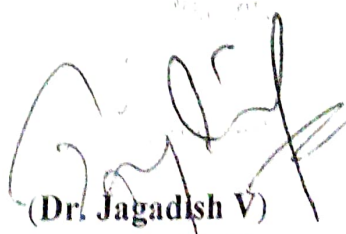

All the faculty members are requested to actively participate in all the sessions and extend their cooperation in making the programme successful.

Session Timings (Online Mode):

- Session-1: 10:00 AM – 11:30 AM
 - Session-2: 11:30 AM – 01:00 PM
- (27th March 2026 will be observed as Holiday)*

The Google Meet joining link will be shared separately.

All are requested to make note of the above and participate actively.

Kahuru, Vijayawada 7, Andhra Pradesh, India

Sponsored by: **Siddhartha Academy of General and Technical Education, Vijayawada**

About the FDP

This FDP focuses on recent technological advancements and sustainable infrastructure development in Civil Engineering. Key themes include advanced construction materials, modern analysis and design techniques, Building Information Modeling (BIM), Artificial Intelligence applications, remote sensing, data-driven decision making, and sustainable construction practices.

The programme provides an excellent platform for academicians, researchers, and industry professionals to interact with experts, enhance research capabilities, and update teaching methodologies aligned with emerging industry trends.

Three-day Hands-on Faculty Development Program (FDP) on AUTODESK REVIT (BIM) from 02-04 July 2026 to 04-07-2026

Host Institute: Prasad V. Potluri Siddhartha Institute of Technology (PVPSIT), Vijayawada

Organized by: Internal Quality Assurance Cell (IQAC), PVPSIT

In Collaboration with: Autodesk & JNTU Kakinada

Venue: C-CAD & RS-GIS Laboratory, Room No. 249, Department of Civil Engineering, PVPSIT

Resource Person: Mr. Vimal Devaprabhu J, Technical Head, BIM & Digital Construction, CADONE, Mr. Md.Harshath, Junior Technical Specialist AEC.

Head of the Department: Dr. Jagadish Vengala, Professor, Department of Civil Engineering, PVPSIT

Introduction

PVPSIT organized a three-day Hands-on Faculty Development Program on Autodesk Revit (BIM) in collaboration with Autodesk and JNTU Kakinada. The programme was conducted at the C-CAD & RS-GIS Laboratory, Room No. 249, Department of Civil Engineering. The FDP focused on Building Information Modelling (BIM), Autodesk Construction Cloud (ACC), architectural modelling, documentation and visualization through expert lectures and extensive hands-on practice. The programme was delivered by Mr. Vimal Devaprabhu J, Technical Head, BIM & Digital Construction, CADONE.

Objectives

- Introduce BIM concepts.
- Train faculty in Autodesk Revit.
- Develop modelling, documentation and rendering skills.
- Integrate BIM into curriculum and student projects.
- Promote industry-oriented teaching.

Day 1

Introduction to BIM, Autodesk Revit, Autodesk Construction Cloud, project templates, interface, project browser, properties palette, units, levels, grids, Revit families and
