Freshman Engineering Department

Name of the Activity / Program: Controller of Exam Cell (COE) Orientation Program

Speaker / Faculty: Dr. M. S. R. Niranjan Kumar

Objectives:

- Share key details about exam schedules
- Assist individuals in familiarizing themselves with the college environment
- Ensure a clear understanding of examination procedures
- Increase awareness of the college education system

About the Topic/ Activity:

Dr. M. S. R. Niranjan Kumar, Controller of Examinations, along with his team, emphasized the importance of academic integrity, stating that honesty and morality are the cornerstones of a successful academic journey. He explained the adverse effects of academic misconduct and urged students to uphold the highest standards of integrity in all their academic activities.

Together with his team, Dr. Niranjan Kumar also provided a detailed overview of examination-related procedures, including exam scheduling, registration, hall ticket collection, answer sheet submission, assessment, and grading criteria. To further support students, they shared useful study tips, stressing the significance of effective time management, early preparation, and consistent study routines to excel in examinations.

The session also featured an interactive segment where Dr. Niranjan Kumar and his team addressed students' queries regarding examinations and academic policies, ensuring clarity and confidence. Their informative and engaging explanations helped students better understand the processes while instilling a sense of motivation and preparedness.

The session concluded with Dr. Niranjan Kumar and his team extending their best wishes for a successful academic year. Their collective address not only reinforced the importance of integrity and disciplined preparation but also created an encouraging and supportive environment. This initiative set a positive tone for the students' academic journey, equipping them with the essential knowledge and confidence to achieve excellence.
