DEPARTMENT OF INFORMATION TECHNOLOGY

I.T DEPARTMENT LIBRARY

The Department Library consists of Text books, Project books, National and international journals SONET CD's/DVD's.

- 440 volumes of text books
- 27 SONET CD's/DVD's are placed

Number of journals available in department library:

S.NO	JOURNAL	TOTAL NUMBER
1	IJ-CA-ETS	2
2	IJ-ETA-ETS	3
3	Competition Success Reviews	2
4	Competition Success Reviews General Knowledge	2
5	Journal Of Science Education	2
6	Journal Of Science And Technology	2
7	Karpagam -JCS	14
8	NHRD	1
9	Academy Proceedings Engineering Sciences	2
10	Journal Of Education And Technology	8
11	The IUP soft skills	17
12	International info process	4
13	International journal of system and technology	4
14	CSI journal	10
15	International journal of information processing	3
16	IUP Journal of Information Technology	4
17	Journal of Digital Information Management	2
18	International journal of data mining	3

Number of video lesions (SONET- CD/DVD'S) available in department library:

23	Discreet Structures	2
24	Data Structures	2
25	Embedded Systems	1
26	Data Structures And Algorithms	1
27	Advanced Data Structures	1

- These journals and Video Lessons are useful to the students to know the recent trends and advanced technologies in IT.
- The old student's project books are placed so that those are helpful for the present students to acquire knowledge.

The following BOOKS are available in Department Library

Sl No.	Accession Number	Title	Author
