‘Analytics for Business Excellence’

SPEAKER

K.J.A. Swarup

Former General Manager - HR

ITC Limited

For Registration

Time: 11.00 am

E – Certificate will be awarded.

Webinar will be on **YouTube** Live

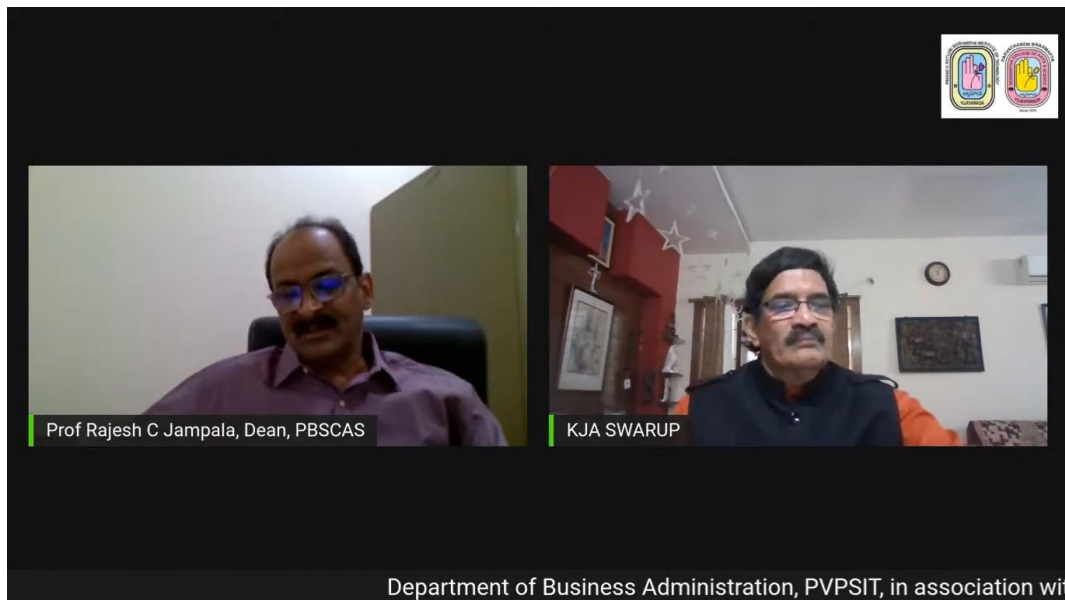

Webinar Director

Dr. P. Adi Lakshmi

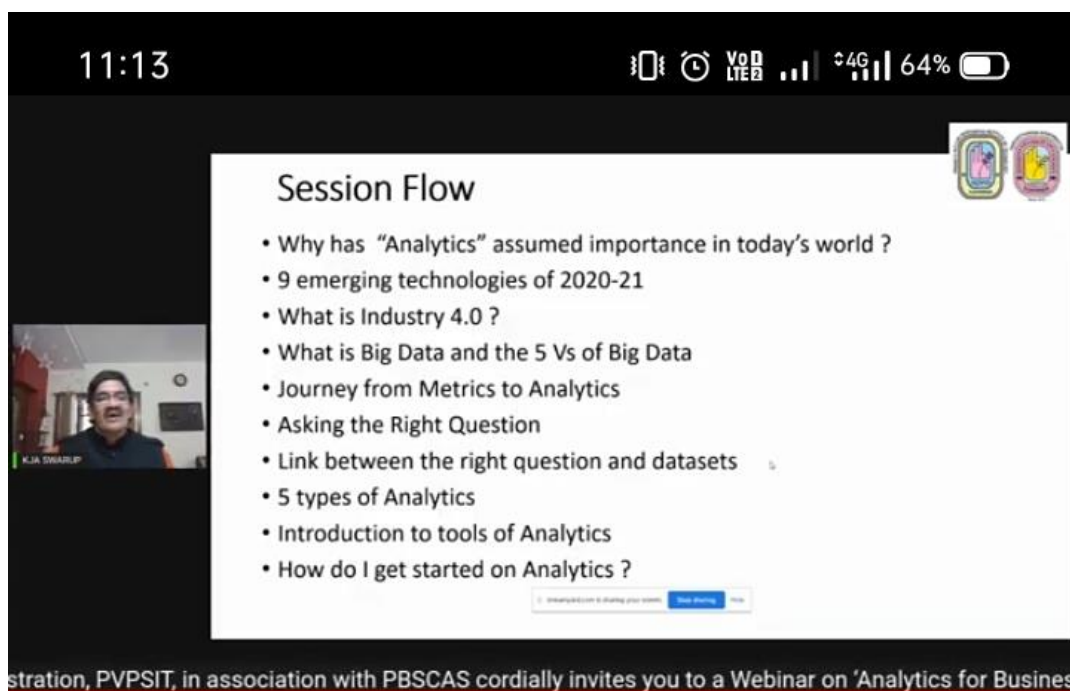

Prof & Head

Department of Business Administration.

Session started with the introduction speech of Dr. Rajesh C Jampala (Dean, PB Siddhartha College of arts and science) about the webinar and Honourable guest speaker and Formal introduction of the resource person was given by Pardha sai kandregula, Assistant Professor, Department of Business Administration, PVPSIT

Later the session was handed over to the resource person and he continued discussing various topics on Analytics. Both MBA I & II years were actively participated

Definition of Analytics

- Analytics is the **systematic computational analysis of data or statistics**
- It is concerned with **turning raw data into insight** for making better decisions.
- Analytics relies on the application of **statistics, computer programming, and operations research** in order to quantify and **gain insight to the meanings of data**. It is especially useful in areas which record a lot of data or information
- **Key Words: Data – Deriving meaningful patterns – insights – informed decisions**

Business Administration, PVPSIT, in association with PBSCAS cordially invites you to a Webinar on 'Ana

The amount of data we produce every day is truly mind-boggling. **There are 2.5 exabytes bytes of data created each day at our current pace.** Over the last two years alone 90 percent of the data in the world was generated.

Internet

More than 3.7 billion humans use the internet
On average, **Google now processes more than 40,000 searches EVERY second** (3.5 billion searches per day)!

Social Media

According to Domo's Data Never Sleeps 5.0 report, these are numbers generated every minute of the day;
Users watch 4,146,600 YouTube videos
With 2 billion active users Facebook is still the largest social media platform.
1.5 billion people are active on Facebook daily
