

## Guest Lectures -2019-2020

### Dept. of E.C.E

1. Guest Lecture on “Microwave Engineering and Applications” was conducted on 11-02-2020 and 12-02-2020 for III B.Tech. ECE students.

Resource Person: Dr. M.Lakshmi Narayana, Retd Scientist DLRL, Hyderabad.

**Feedback from students:** Guest lecture was much interesting and more informative related to Microwave Engineering and Applications.

2. Guest Lecture on “Problem Solving through Python” was conducted from 27-01-2020 To 01-02-2020 for II B.Tech. ECE students.

Resource Person: 1.Ambika P, 2.Nandini CH, (Andhra Pradesh State Skill Development Corporation (APSSDC))

**Feedback from students:** Learned about Problem Solving through Python and had hands on sessions which is very useful.

3. Guest Lecture on “Two Day Training Program on VLSI EDA Tools” was conducted on 06-01-2020 & 07-01-2020 for III B.Tech. ECE students.

Resource Person: Mr K.Pradeep, Application Engineer, Apply Volt Technologies Pvt. Ltd, Hyderabad

**Feedback from students:** Guest lecture Enlightening and have understood the opportunities in Two Day Training Program on VLSI EDA Tools

4. Guest Lecture on “IOT Through Raspberry PI” was conducted on 06-01-2020 To 10-01-2020 for III B.Tech. ECE students.

Resource Person: 1.M Jyoshitha, 2.D Chandi Rani, 3.K Vineela (Andhra Pradesh State Skill Development Corporation (APSSDC)).

**Feedback from students:** Guest lecture was much informative and learnt about IOT Through Raspberry PI.

5. Guest Lecture on “Phase-3 training program on NI LabVIEW MyRIO” was conducted on 06-01-2020 To 10-01-2020 for III B.Tech. ECE students.

Resource Person: JOEL JEBRAJ, VI SOLUTIONS, Bangalore (Phase 3/III).

**Feedback from students:** Guest lecture was much informative and Understood about Phase-3 training program on NI LabVIEW MyRIO.

6. Guest Lecture on “Phase-2 training program on NI LabVIEW MyDAQ” was conducted on 03-12-2019 To 07-12-2019 for III B.Tech. ECE students.

Resource Person: JOEL JEBRAJ, VI SOLUTIONS, Bangalore (Phase 2/III)

**Feedback from students:** Guest lecture was much informative and Understood about Phase-2 training program on NI LabVIEW MyDAQ.

7. Guest Lecture on “Phase-1 training program on NI LabVIEW Core 1& 2” was conducted on 04-11-2019 To 08-11-2019 for III B.Tech. ECE students.

Resource Person: JOEL JEBRAJ, VI SOLUTIONS, Bangalore (Phase 1/III)

**Feedback from students:** Guest lecture was useful and learnt about Phase-1 training program on NI LabVIEW Core 1& 2.

8. Guest Lecture on “IOT Through Arduino UNO” was conducted on 04-11-2019 To 08-11-2019 for III B.Tech. ECE students.

Resource Person: 1.M Uma Maheshwara Rao, 2.U Sumanth , 3.B Mahidhar, 4.B Suresh (Andhra Pradesh State Skill Development Corporation (APSSDC))

**Feedback from students:** Guest lecture was useful and learnt about IOT Through Arduino UNO.

9. Guest Lecture on “Personality Development” was conducted on 17-10-2019 for II B.Tech. ECE students.

Resource Person: K.V. Subba Raju Retd Professor SRKR Engineering College, Bhimvaram

**Feedback from students:** Guest lecture was enlightening and learnt about Personality Development.

10. Guest Lecture on “PCB Software” was conducted from 29-07-2019 To 03-08-2019 for II B.Tech. ECE students.

Resource Person: 1.D Chandi Rani , 2.K Vineela (Andhra Pradesh State Skill Development Corporation (APSSDC))

**Feedback from students:** Learned about PCB Software and had hands on sessions which is very useful.

11. Guest Lecture on “Six Day training program on VLSI EDA tools” was conducted on 29-04- 2019 To 01-05-2019 & 13-06-2019 To 15-06-2019 for III B.Tech. ECE students.

Resource Person: Mr K.Pradeep Application Engineer, Apply Volt Technologies Pvt. Ltd, Hyderabad.

**Feedback from students:** Guest lecture was highly motivating and encouraged students to be more specific about their goals and to settle in best position.
