

Guest Lectures -2021-2022

Dept. of E.C.E

1. Guest Lecture on “Air Navigation In India : Role Of Electronics And Communication Engineering” was conducted on 26-04-2022 for III year B.Tech. ECE students.

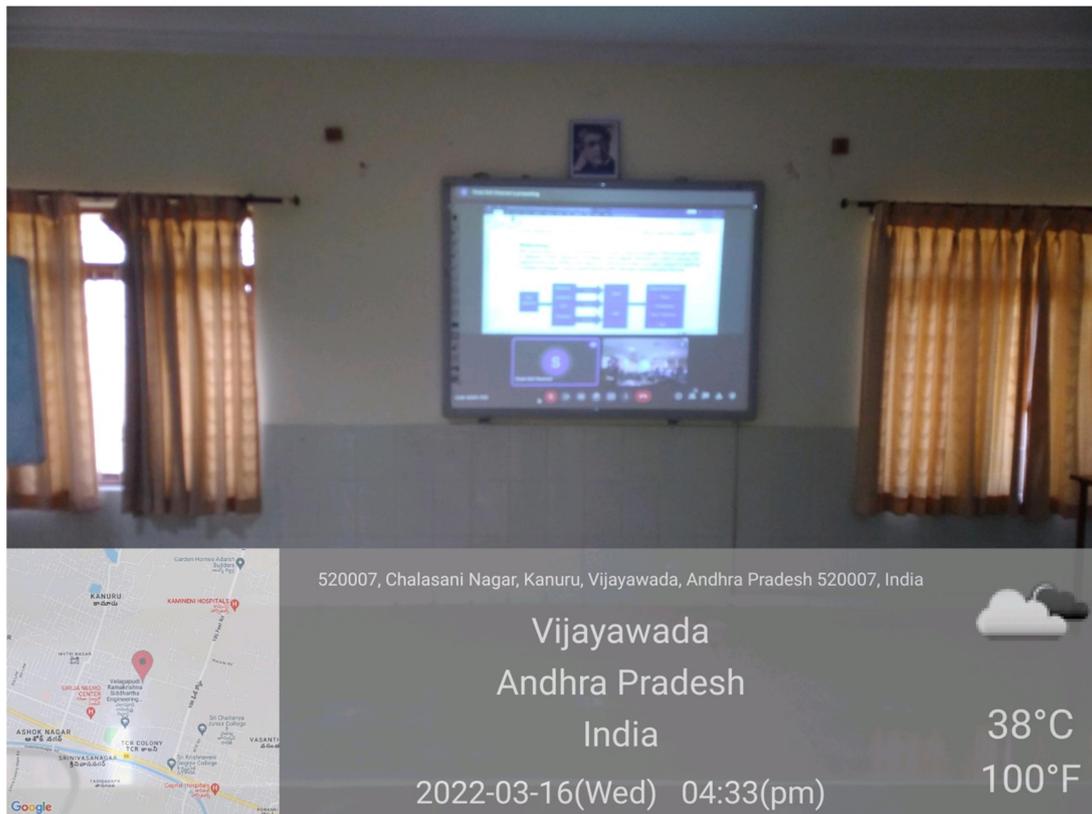

Resource Person: M.L.K. Reddy, Joint General Manger ,Department of Airports Authority of India ,Vijayawada Airport.0

Feedback from students: Guest lecture was much interesting and more informative related to Air Navigation In India : Role Of Electronics And Communication Engineering .

2. Workshop on VLSI Architectures For Signal Processing Algorithms was conducted on 16-03-2022 for II year & III year B.Tech. ECE students.

Resource Person: Dr. Shaik Rafi Ahamed, Professor, EEE Department, IIT Guwahati.

Feedback from students: Learned about VLSI Architectures For Signal Processing Algorithms and had hands on sessions which is very useful.

3. Guest Lecture on “Electromagnetic Radiation Hazards In Cell Phones/ Towers” was conducted on 10-03-2022 for II year & III year B.Tech. ECE students.

Resource Person: Dr. D. Sriram Kumar, Professor, Department of ECE, National Institute of Technology Tiruchirappalli.

Feedback from students: Guest lecture Enlightening and have understood the Electromagnetic Radiation Hazards In Cell Phones/ Towers.

4. Guest Lecture on “Applications Of Signals & Systems” was conducted on 15-12-2021 for III B.Tech. ECE students.

Resource Person: Dr. CH. Rama Rao, Assistant. Professor, NIT Meghalaya

Feedback from students: Guest lecture was much informative and know about signals and systems importance.

5. Guest Lecture on “Application Specific Integrated Circuit (Asic) Design ” was conducted on 14-12-2021 & 15-12-2021 for III B.Tech. ECE students.

Resource Person: Vinnalan K A, Application Engineer CoreEL Technologies, Bangalore

Feedback from students: Guest lecture was much informative and Understood about Application Specific Integrated Circuit (Asic) Design.

6. Guest Lecture on “Image Processing & Its Applications” was conducted on 08-12-2021 for IV B.Tech. ECE students.

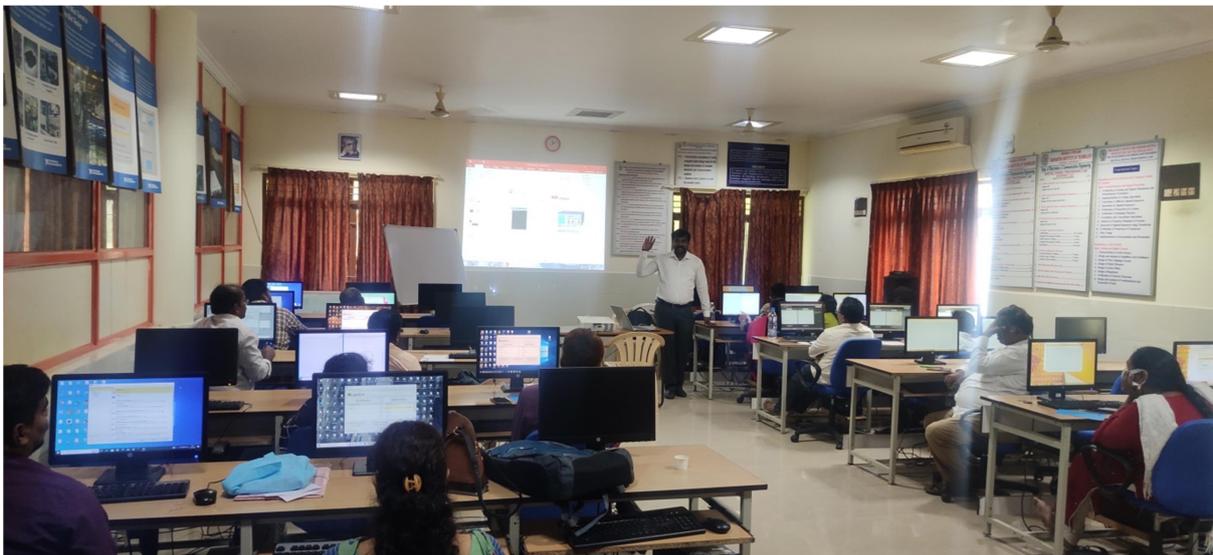

Resource Person: Dr. K. Sreenivasa Rao Professor , Department of Computer science & Engineering, IIT Kharagpur

Feedback from students: Guest lecture was much informative and Understood about Importance of Image Processing & Its Applications.

7. Training On LABVIEW was conducted from 28-02-2022 To 4-03-2022 for III B.Tech. ECE students.

Resource Person: Essaki Raja, Senior Application Engineer, VI Solutions, Bangalore

Feedback from students Learned about LABVIEW Tool and had hands on sessions which is very useful.
