

Guest Lectures -2022-2023

Dept. of E.C.E

1. Guest Lecture on “Empowering the Least Developed Countries through Information and Communication Technologies” was conducted on 17-05-2023 for III B.Tech. ECE students.

Resource Person: P. Kalee Prasad, Asst Director, Dooradarshan Kendra, Vijayawada.

Feedback from students: Guest lecture was much interesting and more informative related to Empowering the Least Developed Countries through Information and Communication Technologies.

2.. Four day Workshop on Mentor Graphics VLSI TOOL was conducted from 15-05-2023 to 18-05-2023 for III B.Tech. ECE students.

Resource Person: Vinnalan KA, Application Engineer, Corel Technologies , Bangalore.

Feedback from students: Learned about Mentor Graphics VLSI Design Tool and had hands on sessions which is very useful.

3. Guest Lecture on “Opportunities in Embedded Systems” was conducted on 11-05-2023 for III B.Tech. ECE students.

Resource Person: Pavan Kumar Kotnani, Applications Engineer, Microchip Technology Inc.

Feedback from students: Guest lecture Enlightening and have understood the opportunities in Embedded Systems

4. Guest Lecture on “Unlocking the Power of Visual Data: The Significance of Image Classification” was conducted on 1-03-2023 for II B.Tech. ECE students.

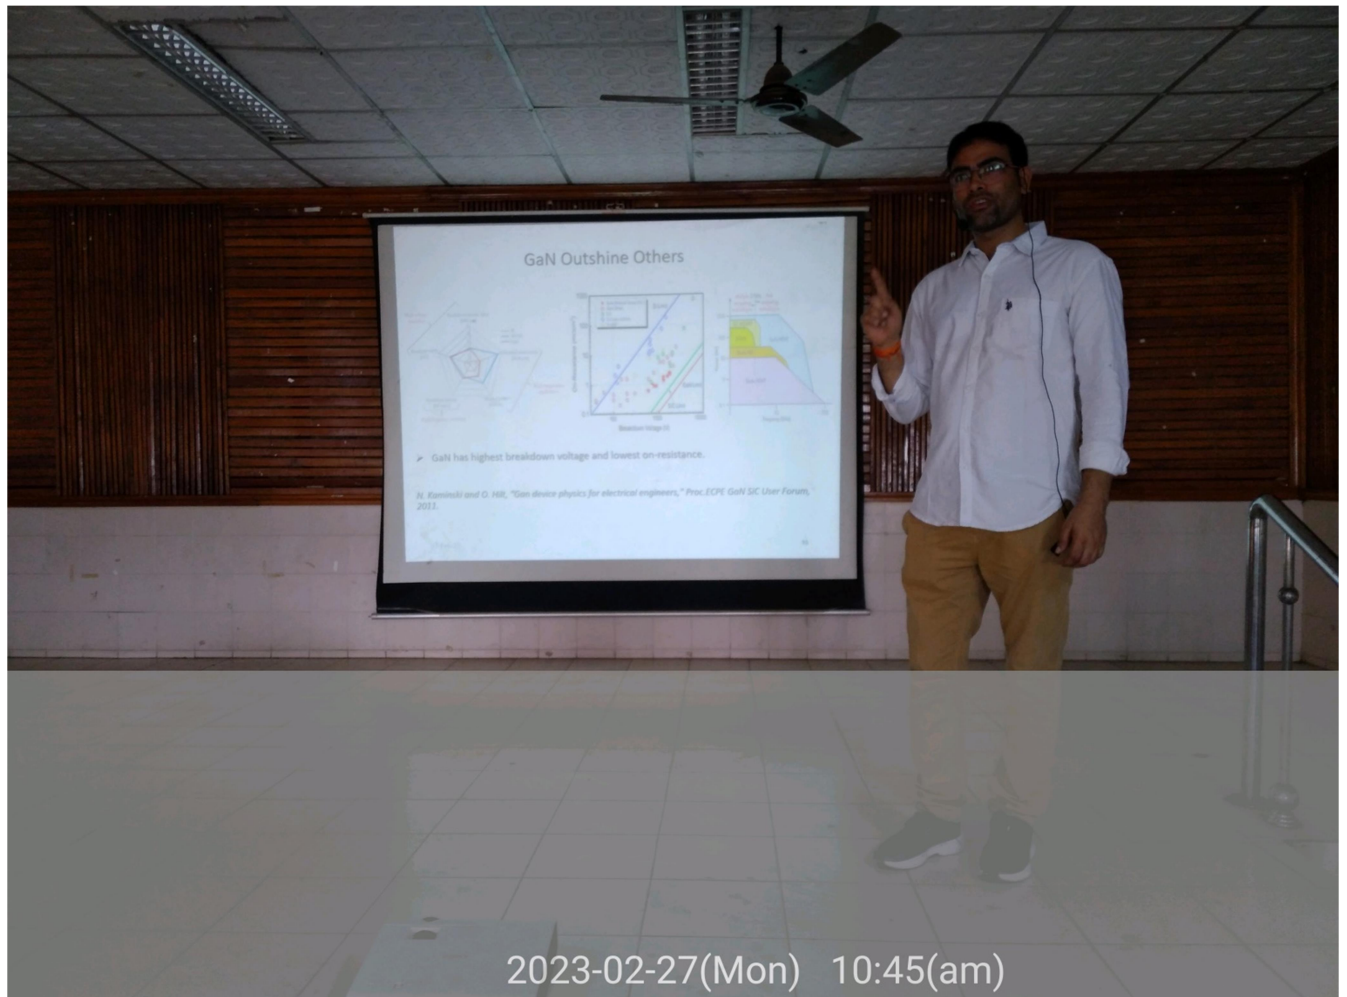

Resource Person: Dr. Turimerla Pratap, Asst.Professor, Department of ECE, VR Siddhartha Engineering College, Vijayawada

Feedback from students: Guest lecture was much informative and learnt about Unlocking the Power of Visual Data.

5. Guest Lecture on “VLSI Design Using Compound Semiconductors” was conducted on 27-02-2023 for II B.Tech. ECE students.

Resource Person: Dr. B.M.Mani Tripathi, Asst.Professor, Department of ECE, VR Siddhartha Engineering College, Vijayawada

Feedback from students: Guest lecture was much informative and Understood about VLSI Design Using Compound Semiconductors.

6. Guest Lecture on “Importance of evaluation metrics in designing a machine learning model” was conducted on 27-02-2023 for III B.Tech. ECE students.

Resource Person: Dr. K.Shri Ramtej, Asst.Professor, Department of ECE, VR Siddhartha Engineering College, Vijayawada

Feedback from students: Guest lecture was much informative and Understood about Importance of evaluation metrics in designing a machine learning model.

7. Guest Lecture on “Creative Thinking” was conducted on 20-02-2023 for III B.Tech. ECE students.

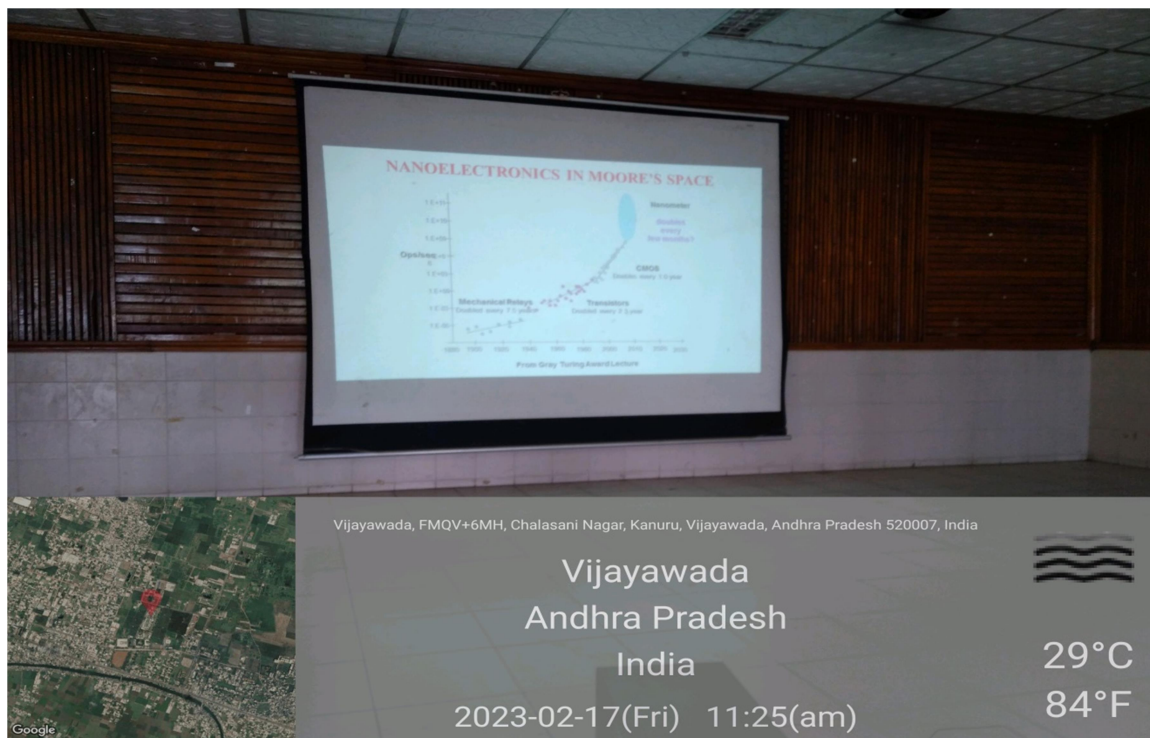

Resource Person: Dr. T Venkata Sainath Gupta, Asst.Professor, Department of ECE, VR Siddhartha Engineering College, Vijayawada

Feedback from students: Guest lecture was useful and learnt about innovative and creative thinking.

8. Guest Lecture on “Introduction and importance of Nano Electronics for Computers” was conducted on 17-02-2023 for III B.Tech. ECE students.

Resource Person: Dr. Aniruddh Bahadur Yadav, Assoc.Professor, Department of ECE, VR Siddhartha Engineering College, Vijayawada

Feedback from students: Guest lecture was useful and learnt about Introduction and importance of Nano Electronics for Computers.

9. Guest Lecture on “Human Values and Professional Ethics” was conducted on 14-12-2022 for II B.Tech. ECE students.

Resource Person: Uma Maheswar Desu, CEO of VV Creations

Feedback from students: Guest lecture was enlightening and learnt about Human Values and Professional Ethics.

10. One week Workshop on PCB Design was conducted from 17-11-2022 to 22-11-2022 and from 14-11-2022 to 19-11-2022 for II B.Tech. ECE students.

Resource Person: Rubeena, Trainer, APSSDC.

Feedback from students: Learned about PCB Design and had hands on sessions which is very useful.

11. Guest Lecture on “ Create Your Own Future ” was conducted on 24th September, 2022 for II B.Tech. ECE students.

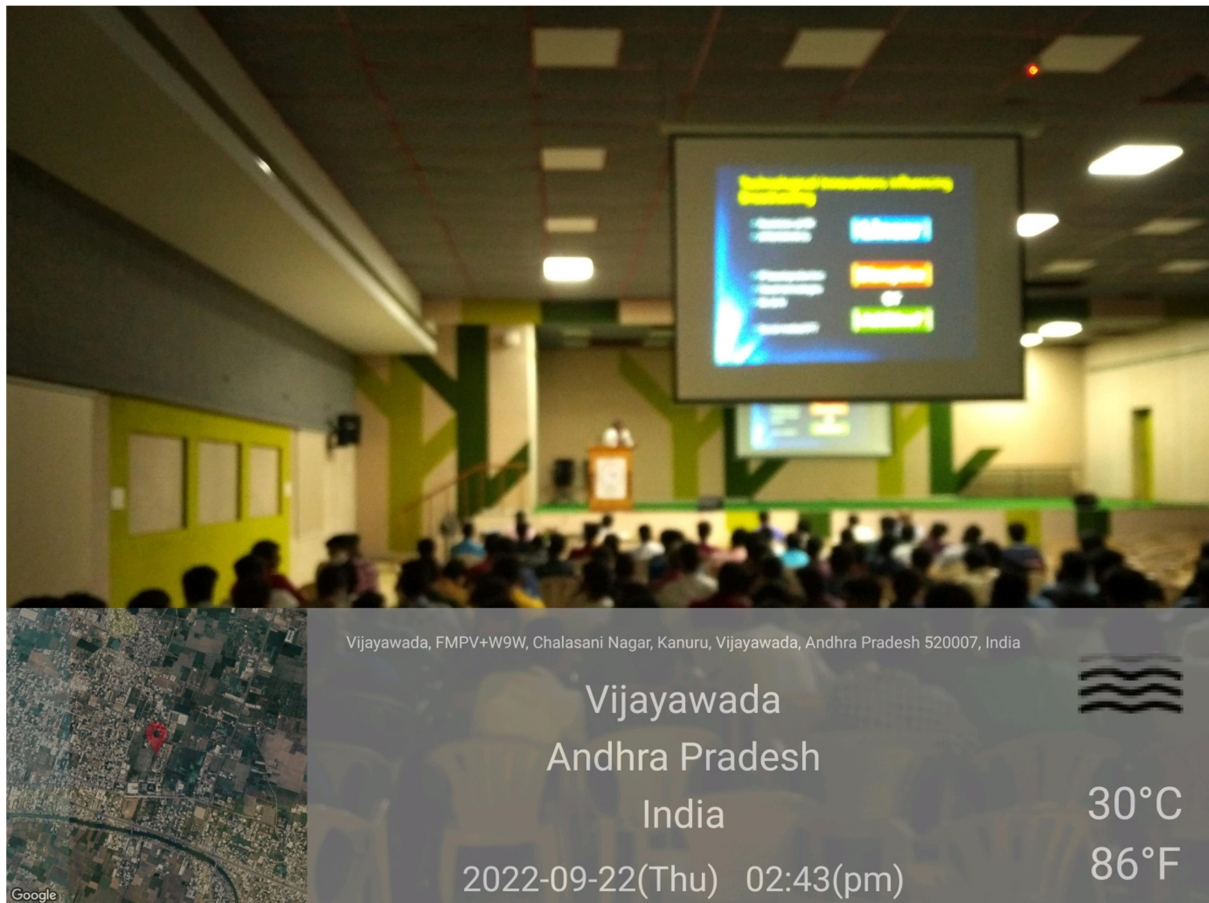

Resource Person: Sri V. Raj Kumar, Scientist, Defence Research & Development Laboratory, Hyderabad

Feedback from students: Guest lecture was highly motivating and encouraged students to be more specific about their goals and to settle in best position.

12. Guest Lecture on “ Changing the Face of Broadcasting ” was conducted on 22nd September, 2022 for III B.Tech. ECE students.

Resource Person: **Dr. D. Ranganadham**, Deputy Director General & Head Dooradarshan Kendra, Vijayawada.

Feedback from students: Guest lecture was useful and understood the concepts of Broadcasting and learnt about the real situations and requirement in Telecom sector.
