Started his Jaycees career in 2016 with JCI Rajahmundry Srimedha, he swiftly ascended the ranks, demonstrating a profound commitment to service and leadership. His inaugural role as Vice President Management at the LO level in 2016 set the stage for a journey marked by excellence.

In 2017, he assumed the pivotal role of LO President for JCI Rajahmundry Srimedha, showcasing not only his leadership prowess but also his dedication to the organization's ideals. The subsequent years, from 2018 to 2022, saw him seamlessly transition into various portfolios within the Zone Governing Board of Combined ZONE-4. Notably, he served as the Zone Director Management in 2018 and was elected as Zone Vice President in 2019. His strategic acumen further shone through in 2020 when he undertook the role of JCI Week Coordinator, followed by serving as the Zone Secretary in 2021. In the same year, he assumed the position of Zone Director Growth & Development, leaving an indelible mark on the Zone.

Turning to his training journey, he has achieved milestones that underscore his commitment to personal and organizational development. Graduating in Speech Craft in 2017 and Nalanda in the same year showcased his dedication to honing his skills. His elevation to the role of Zone Trainer in 2018 and subsequent graduation from NTTTS in 2019, leading to his designation as a National Trainer, exemplify his prowess in the training arena.

His list of achievements reads like a testament to his excellence. Recognized for his outstanding performance in Speech Craft, Zone Trainers' Workshop, Awards Orientation Seminar, JCI Awards Orientation, and Recommended Courses, he garnered the Outstanding Participant award at the Presidential Academy in 2017. The same year saw him receive the Outstanding Parliamentarian recognition at Natcon, presented by the National President. In 2018, he clinched the Outstanding Zone Director Award in the Management area, solidifying his reputation as a leader.

In the realm of training, his impact is equally profound. Serving twice as Speech Craft co-faculty and twice as an Awards Orientation Seminar faculty member, he has conducted nearly 200 training programs and 60 orientation sessions, actively contributing to the influx of new talent into the Jaycees organization.

Beyond Jaycees, he excels in his professional capacity as a Tax Consultant and Business Advisor. With a decade-long tenure as a CA faculty and subject expertise in Income Tax, GST, and Strategic Management, he imparts valuable knowledge to aspiring professionals. Currently serving as a guest faculty at Master Minds CA Academy, he continues to influence the next generation of financial experts.

Driven by passion, he is a stalwart in the realms of personality development and corporate training. As a consultant HR to five corporate entities and several engineering colleges in Andhra and Telangana, he brings his expertise to shape the professional journeys of many. Notably, his role as an expert Campus Recruitment Trainer has contributed to the placement of approximately 5000 students in various esteemed companies.

On a personal note, he is happily married to Jaycee Past ZFC JC HGF Sai Sudha, and their joy is further enriched by their adorable daughter, Jayceelett Aashvi Chaturya.

Known for his boundless creativity, visionary leadership, unwavering work ethic, and deep commitment to Jaycees, he has been a stalwart in the organization for nine years. A distinguished teacher, passionate trainer, mentor, and the first PR man of the Zone,

Now lets put our hands together to invite our today's Chief Guest of the event,

JFP Krishna Bhaskar
